

Florida DBPR Examination Information Bulletin

PUBLISHED July 1, 2010

VALID July—August 2010

This edition supersedes all previous bulletin editions, and is valid only through the dates noted above.

**International Code Council
Certification and Testing Department
Birmingham District Office
900 Montclair Road
Birmingham, AL 35213**

1-888-ICC-SAFE (422-7233), ext. 5524

www.iccsafe.org/inspector

Effective June 1, 2010, **all** Florida DBPR Building Code certification examinations through ICC will be available via computer-based testing through Pearson VUE.

Paper-and-pencil examinations or re-examinations will no longer be available; any different mention of this on your score report is in error.

About this bulletin:

**Please read and understand this bulletin in its entirety prior to registering for an exam.
The answers to most questions raised by candidates can be found in this document.
This bulletin is a useful reference throughout your registration and examination process.**

SUMMARY OF BULLETIN CHANGES

Date of Change	Section Affected	Revision
March 1, 2010	National Certification Examinations Based on 2009 International Codes	Corrected two-character ID for Florida Modular Building Inspector exam
March 1, 2010	National Certification Examinations Based on 2009 International Codes	Updated references for 2B and 3B exams
March 1, 2010	Administrative Rules and Procedures	Clarified scale scoring process
May 3, 2010	National Certification Examinations Based on 2009 International Codes	Clarified administration options for FL and FP exams
June 8, 2010	Computer-based Testing (CBT)	Clarified address for internet-based test registration
June 8, 2010	National Certification Examinations Based on 2009 International Codes	Removed notice about paper-and-pencil testing availability through May 31, 2010, for modular exams
July 1, 2010	Computer-based Testing (CBT)	Revised identification requirements

International Code Council Vision

Protecting the health, safety, and welfare of people
by creating better buildings and safer communities.

International Code Council Mission

Providing the highest quality codes, standards, products, and services
for all concerned with the safety and performance of the built environment.

**Information contained in this bulletin is deemed accurate as of the time of printing.
Contents are subject to change at any time.
For the most updated information, visit www.iccsafe.org/inspector.**

Note: Certification and examination requirements, including registration/scheduling, dates, locations, fees, and references are subject to change. Please make sure that you have the most current information before registering for/scheduling any examination. For up-to-date information on Code Council certification and examinations, go to www.iccsafe.org/inspector or call 1-888-ICC-SAFE (422-7233), ext. 5524.

Printed in the U.S.A.

HOW DO I . . .

- schedule an exam? Call the DBPR reservation hotline at 1-877-224-0231 or visit www.catglobal.com
- change my name or address? Fax or mail ICC a letter containing your name, old and new addresses, contact phone number, **and signature**; ICC will advise if additional documentation is needed
- renew my certification? Visit www.iccsafe.org/renewals to enter CEUs and complete the renewal process online
- request a wall certificate (new)? Visit www.iccsafe.org/inspector for a request application
- request a duplicate wallet card or wall certificate? Visit www.iccsafe.org/inspector for a request application
- review an exam I failed? See page 16 for more information on the exam feedback and appeals process
- request special testing accommodations? Call DBPR/Bureau of Education and Testing (BET) at 1-850-487-9755 to request special arrangements from the ADA Coordinator
- make comments about an exam I took? See page 16 for more information on the exam feedback and appeals process
- reschedule an exam? Call the DBPR reservation hotline at 1-877-224-0231 prior to your scheduled exam—see chart on page 20 for deadlines
- cancel an exam? Call the DBPR reservation hotline at 1-877-224-0231 prior to your scheduled exam—see chart on page 20 for deadlines
- find my exam code (ID)? See pages 23-29 for the exam outline listings in this bulletin
- know what I can take into the exam? See page 13 for the Test Site Regulations section
- obtain the books for my exam? Most references can be purchased at www.iccsafe.org/store; more information is found in the exam outline listings starting on page 23

You are welcome to use any of the checklists and summaries of information within this bulletin to familiarize yourself with the testing process, but be sure to read this bulletin in its entirety prior to scheduling your examination. You are responsible for following all policies and regulations found in this document, and not reading this bulletin does not relieve your responsibility for following all procedures herein.

Attention: Florida DBPR Candidates

This examination bulletin and information contained herein is intended for use by **pre-authorized** Florida DBPR candidates **only**.

Florida DBPR candidates that would like to receive pre-authorization should contact DBPR at 1-850-487-1395.

Pre-authorized Florida DBPR candidates must pass both the ICC technical examination and the Building Code Administrators and Inspectors Florida Principles and Practice Licensure Examination before being issued a Florida license.

To make a reservation to take the Florida Principles and Practice Licensure Examination, pre-authorized candidates should call Pearson VUE at 1-888-204-6230.

To schedule to take the ICC technical examination, pre-authorized Florida DBPR candidates should read through the information contained in this bulletin and then call the reservation hotline at 1-877-224-0231.

About Code Council Certification

The Code Council certification program is the oldest, largest, and most prestigious credentialing program for construction code administration and enforcement professionals in the United States. Code Council certification examinations are maintained to the highest standards and include continuous review by committees of experienced professionals.

Becoming Code Council-certified is a significant personal and professional accomplishment, and is a key step toward enhanced professional stature. Code Council certificate holders demonstrate a confirmed commitment to protect the public health, safety, and welfare.

Many building departments and state agencies that regulate code enforcement personnel recognize Code Council certification. However, the Code Council cannot guarantee that a specific governmental agency will accept or recognize a Code Council certification. You should first contact the applicable agency regarding specific licensing and employment requirements.

Certification and examination information, including registration/scheduling requirements, dates, locations, fees, and references, are subject to change. **Candidates should make sure they have the most current information before registering for/scheduling a Code Council examination by going to www.iccsafe.org/inspector.**

Certification Categories

Below are Code Council national certification categories currently available, required examinations, and corresponding exam IDs.

Residential Inspector Categories

Exam ID	Certification/Examination	Page
1B	Residential Building Inspector	23
1E	Residential Electrical Inspector	23
1M	Residential Mechanical Inspector	23
1P	Residential Plumbing Inspector	24

Commercial Inspector Categories

Exam ID	Certification/Examination	Page
2B	Commercial Building Inspector	24
2E	Commercial Electrical Inspector	24
2M	Commercial Mechanical Inspector	25
2P	Commercial Plumbing Inspector	25
FR	Florida Roofing Inspector	25

General Plans Examiner Categories

Exam ID	Certification/Examination	Page
3B	Building Plans Examiner	26
3E	Electrical Plans Examiner	26
3M	Mechanical Plans Examiner	26
3P	Plumbing Plans Examiner	27

Code Enforcement Category

Exam ID	Certification/Examination	Page
1C	Coastal and Floodplain Construction Inspector ***	27

Certified Building Official (CBO) Categories

Exam ID	Certification/Examination	Page
ML	Legal/Management	28
MT	Technology	28

Modular Building Categories

Exam ID	Certification/Examination	Page
FL	Florida Modular Building Inspector	29
FP	Florida Modular Building Plans Examiner	29

*** This examination has prerequisites or additional requirements to achieve certification. Please refer to the pages noted above for more information.

Administrative Rules and Procedures

Taking and Retaking Examinations

In any six (6) month period, you may take an exam up to four (4) times, if necessary, to pass.

Taking the examination in one category has no effect on testing for the six-month period for another category. For example, if you take the Residential Building Inspector examination and fail it, you would be allowed to take a Commercial Building Inspector or, for example, one of the Plumbing Inspector examinations, without regard to the six-month period for your Residential Building Inspector examination.

Examination Scoring

What is a passing score? A passing score is the score set by the ICC and/or with the Exam Development Committee (EDC) as the minimum score needed to pass the exam. This score is technically called a scale score and is often set at 70 or 75.

How is a passing score set? A passing score is set as part of the process at the Exam Development Committee. This part of the process involves setting item-level cut-scores, using the expert judgment of the Subject Matter Experts (SMEs) who are at the EDC. These experts determine what the minimum is that the candidate needs to know in order to obtain the certificate, and a passing score.

What is a scale score? A scaled score transforms a raw test score (the number of test questions answered correctly) into other measurement units, called a scale score. However, please know that a scale score is not the number of questions answered correctly, nor the percentage of questions answered correctly.

Is the current test more or less difficult than prior tests, or future tests? There are multiple forms of the ICC examinations. While these forms were developed from the same set of content specifications, the levels of difficulty of the forms will vary because different exam questions appear on different forms. Some of these questions by their nature (and designated in the cut-score) are more difficult than others, even though they pertain to the same section of the exam. It would be unfair to require a candidate taking a collection (form) of somewhat more difficult questions to answer as many questions correctly as a candidate who took an easier form. So, we use a statistical procedure known as scaling to correct for differences in test form difficulty.

Think of it this way. Let's say an elementary school hired the ICC to create an exam to test for knowledge of aspects of mathematics. Further, let's say the exam was called "Addition and Subtraction," and the Exam Information Bulletin states it is a 100-item exam.

Look at the first ten questions of two different exam forms, both of which measure the concept of "Addition and Subtraction":

Question	Exam Form 1	Question	Exam Form 2
1.	$2 + 4 =$	1.	$6 + 9 =$
2.	$6 + 4 =$	2.	$16 + 26 =$
3.	$7 - 3 =$	3.	$18 - 16 =$
4.	$18 + 15 =$	4.	$23 + 99 =$
5.	$16 - 4 =$	5.	$86 - 44 =$
6.	$8 + 8 =$	6.	$5 + 1 =$
7.	$4 + 9 =$	7.	$29 + 88 =$
8.	$20 - 17 =$	8.	$74 - 67 =$
9.	$4 + 15 =$	9.	$48 + 96 =$
10.	$7 - 4 =$	10.	$55 + 38 =$

As you can see, the questions on Form 2 are a bit harder than the questions on Form 1. If these were both 100-item exam forms with such a continuing mix of items, it would be unfair to require the students who were administered Exam Form 2 to answer the same number of questions correctly in order to pass.

Why scale the scores? If we simply reported the total number of questions answered correctly (the raw score), there would be a different passing score for each form of the test (because of those differences in difficulty). This would be confusing to candidates. So, we convert these raw scores to a constant scale such that, say, the designated 70 or 75 continues as the minimum score required to pass regardless of the form administered, knowing the number of correct answers needed to pass varies from form to form and from year to year.

What is reported? Scaled scores of (typically) 70 or 75 or above are reported as PASS. The ICC does not report the numeric score; the score report simply indicates a passing score by saying PASS. Those who fail the exam are provided the numeric scaled score.

Cancellation of Scores

On rare occasions, circumstances may render examination scores invalid. The Code Council reserves the right to cancel or withhold any examination scores if, in its sole opinion, there is adequate reason to question their validity. Reasons are:

1. Doubts may be raised about the validity of examinees' scores because of suspected misconduct, including but not limited to, giving or receiving help; using unauthorized notes, books, or papers; removing examination materials or notes from the examination room; attempting to take an examination for someone else; or inappropriately taking more than two CBT examinations within a single six-month period. In such circumstances, examinees will be expected to cooperate in an investigation of their scores. Such examinees will be notified of procedures developed by the Code Council to ensure fairness.
2. Some scores may be rendered invalid because of circumstances beyond the examinee's control, such as faulty examination materials or mistiming. These situations will be investigated; when such occurrences result in cancellation of an examinee's scores, the Code Council will arrange for a makeup examination for the examinees concerned.

3. The Code Council has implemented procedures to minimize the potential of negative conditions at the examination site such as bad lighting, excessive noise, or uncomfortable temperature conditions. In unlikely cases where such conditions may occur, the required passing score is not modified or changed. If a candidate finds unfavorable conditions at the examination site, we recommend the candidate immediately notify the proctor.

Common Questions and Answers

Does the Code Council require a candidate to have a certain level of experience or education before taking an examination?

No. Most Code Council examinations are open to all individuals with no prerequisite for experience or education. Code Council certification should be used as one of several measures of an individual's qualifications when screening applicants for a position. Inspectors should possess the right mix of technical knowledge, education, and related experience. Because proper weighting of the relative importance of these three qualifications is a subjective decision, determining the emphasis of Code Council certification is most appropriately performed at the local level by the building official. For this reason, the Code Council does not specify education or experience requirements for certification applicants for most categories. However, the Reinforced Concrete Special Inspector has additional requirements after passing the certification exam.

Which exam(s) should I take?

As requirements for employment differ from jurisdiction to jurisdiction, the Code Council cannot recommend specific certifications to you. We strongly encourage you to contact the jurisdiction in which you wish to work for more information on their specific needs, and couple this information with the exam-specific listings in this bulletin.

Is a Code Council certification the same as a license?

A license is a permit to work in a particular occupation, issued as a result of state or local legislation. Code Council certifications are voluntary certifications. Many jurisdictions require Code Council certification in their administrative regulations. Check with your state or local agency to find out if your state recognizes Code Council certifications.

What is the best way to prepare for an examination?

The best way to prepare for an examination is through the study of codes and standards. Code Council seminars, self-study workbooks, code commentaries, and textbooks may be helpful. Practice examinations for many categories are available for a fee from the Code Council at www.icccampus.org. These may be useful to those candidates who need to refresh their skills in taking exams. It is important to realize, though, that the difficulty level of the practice exams may not represent that of the actual Certification exam.

Sample questions are available for most exams at www.iccsafe.org/exams; these items are similar to those used on the exams, but will never appear on any exam form. However, nothing can substitute for studying the code and on-the-job experience of code use and application. You must devote the time needed to understand the code and master the ability to apply it.

When can I test?

Computer-testing is administered frequently at over 250 sites across the nation. To get the most updated information, go to www.iccsafe.org/exams.

How often can I test?

There is no mandatory waiting period before retaking a failed exam. However, it is strongly recommended that you allow time to study the approved references before registering to test a second time.

When will I receive my results?

Electronic exams:

Results for examinations taken electronically are available immediately after completion of the examination.

For most certification categories, candidates will automatically receive a Code Council wallet card within seven to nine weeks after they pass the examination. Some categories have additional requirements prior to receiving the full certification. Wall certificates are available upon request.

I didn't receive my pass letter or wallet card. Can I have another mailed to me?

Yes, but the item must be requested within 90 days from the date of the passed examination to have another mailed without a fee. If a resend of a pass letter or wallet card is requested after 90 days from the exam, a fee will be charged. For fees and other optional services, go to www.iccsafe.org/inspector.

What type of question format will be included in the examination?

Test questions are in four-option, multiple-choice format, with one answer on each question scored as correct. Due to the rigorous psychometric processes used by the Code Council in exam development, questions do not follow patterns (e.g., "the most common answer is 'B'").

Are the examinations open book?

Yes, most exams are open book. To get the most updated information on examinations, go to www.iccsafe.org/exams.

Can't I just look up all of the answers in the books?

Because of the time constraints, you will not have time to look up all of the answers. For those answers you must look up, you must be VERY familiar with the references to avoid wasting time searching for information. First impressions are often the most accurate, but you may change your answers if time allows.

How long are the examinations?

The length and allowed time varies depending upon the subject matter. To get the most updated information on examinations, go to www.iccsafe.org/exams.

How many examinations can I take at one administration?

For computer-based exams, in most cases you may take two exams in one day, as long as each examination is only two hours in length.

Should I guess if I don't know the answer to a question?

There is no guessing penalty, so it is to your advantage to answer every question. Remember to base your answers on the listed references for each exam, not solely on long-time field practices.

How do I renew my certification?

In most cases, you will need to have a certain number of continuing education credits (CEUs) to renew your certification. For more information on keeping your certification current, go to www.iccsafe.org/renewals.

If I pass one CBO examination but fail the other, do I need to retake both exams?

A candidate who passes one exam has three years to pass the other without retaking the passed exam. After three years, the candidate would need to retake and pass both examinations.

Code Edition Information

Examinations are updated to the latest edition of the *International Codes*[®] effective January 1 of the year following the date of publication to allow time for candidates to become familiar with the new code provisions.

Candidate Records Policy

The General Education Provisions Act, Section 438, as amended, and the regulations promulgated for the enforcement of the act, found at 45 Federal Register 30911 as amended at 45 Federal Register 86296, provide that all Code Council certification examination candidates have certain rights in relation to their educational records. To view the complete Certification Records Policy, visit the Code Council website at www.iccsafe.org/inspector.

ICC has developed a three-step process for test-takers to comment on or challenge the results of their exam. These are:

- 1) ICC Certification & Testing staff review,
- 2) appeal to Exam Development Committee, and
- 3) appeal to the Board for International Professional Standards.

The form for providing feedback and starting the appeals process is available at the conclusion of your exam at Pearson VUE (if testing via computer) or on the ICC website at www.iccsafe.org/inspector.

If you re-take a failed exam on which you have submitted an appeal, you will forfeit your appeal opportunity for that exam.

Test Site Regulations

To ensure the security of examination materials, reliable test results, and public confidence in the integrity of certified professionals, the rules and procedures below are strictly enforced at all Code Council examinations.

What You Should Bring

For electronic examinations, examinees must possess and provide their testing confirmation number (that was provided by the Pearson VUE representative at the time of exam registration) at the testing site on the exam day in order to be admitted to take the exam.

Examinees may bring the following items to the examination:

1. Reference(s) as listed in this Examination Information Bulletin for the applicable exam—**no other reference material will be allowed into the testing center.** References must be bound (original bound book, three-ring binder, or stapled); notes written in ink or highlighted in the code sections (not in blank pages) are allowed. Permanently attached tabs (tabs that cannot be removed without destroying the page) are allowed. No pencil notes are allowed within the references, unless they are highlighted prior to arrival at the test center. **Photocopies of copyrighted materials are not allowed.**
2. Magnifying glass
3. Eyeglasses, if necessary
4. Architects' scale or rule
5. Battery-operated calculator that is nonprogrammable. The calculator **cannot** be capable of storing alpha-numeric numbers or storing examination information, nor have ribbon or paper printing capabilities. Solar-powered calculators are not recommended, as lighting conditions are such that there is usually insufficient light to power a solar calculator. Calculator malfunctions are not grounds for challenging test results or requesting additional time. Special seating is not available to accommodate solar calculators or electrical supply cords.
6. Foreign language/English translation dictionaries, if needed

What You Should Leave Home

1. Any kind of ink (ballpoint, felt-tip, gel, etc.) pens, colored pencils, highlighters, writing paper, or briefcases
2. Personal items such as purses, wallets, or watches—lockers are available at Pearson VUE for small items, but will not accommodate laptops, briefcases, or large purses or bags.
3. Calculators with print capability and/or that store formulas
4. Copying, recording, or photo devices
5. Cell phones, beepers, radios, MP3 players, and/or PDAs

Name and Identification Requirements

For electronic examinations, examinees must possess and present a valid (unexpired) photo ID with signature, issued by a state or federal regulatory agency, e.g., a driver's license or passport. **The name on the exam reservation must match the name on the ID provided. If it does not, you will not be allowed to test, and will forfeit your exam fee. Neither ICC nor Pearson VUE can make an exception to this policy.** If you are unable to present identification as required by the ICC and Pearson VUE, or have questions about what will be allowed, you must call Pearson VUE prior to your scheduled exam to make other arrangements.

What You Can Expect at the Test Site

- Examinations will be given only on the date and time scheduled.
- Metal detectors may be randomly used to search examinees entering and/or leaving the exam room.
- You will be asked to empty all of your pockets.
- Proctors may inspect all materials an examinee carries into and from the exam room. If your reference materials do not meet test site regulations (relating to tabs, pencil notes, etc.), **you will not be allowed to take these references into the exam room**. You will still be allowed to test, but without these materials.
- The Code Council randomly videotapes examination sessions.
- Visitors are not allowed in the exam room.

Proctors

The proctors are responsible for administering the examination and ensuring security of the exam materials at the test site. Proctors are well-trained and will treat candidates with respect, and in turn, will expect the same level of respect from candidates. Threatening a proctor or interfering with the administration of an examination at *any* time may be considered a criminal offense and punishable by law.

Proctors cannot discuss contents of the exam or reference materials with a candidate.

Proctors have the right to remove a candidate's test and require the individual to leave the building if the candidate:

1. Gives or receives help during the examination;
2. Attempts to remove exam materials or notes from the room;
3. Creates a disturbance;
4. Copies or attempts to copy examination questions or answers; or
5. Is found to have prohibited materials (cell phone, recorder, etc.) during the exam.

If a candidate is dismissed from an examination for an infraction of the policies presented in this booklet, the candidate will not be entitled to a refund, may jeopardize his or her right to take a Code Council examination in the future, and may face possible prosecution.

What We Expect of You, the Candidate

Examinees are responsible for arriving at the exam site on the proper date, at the proper time, and with proper identification. You should determine in advance the exact location of the test site, how to get there, and how much time it will take you to get to the site.

Examinees are responsible for arriving at the test site with required reference(s), if desired, for use during the exam. Required examination references are listed with the individual examination outlines found in this bulletin. References for examinations are not supplied by the Code Council or the testing center.

Examinees must know, understand, and adhere to all of the regulations governing Code Council examinations as listed in this bulletin.

Examinees should arrive at the exam site at least 30 minutes before the examination is scheduled to begin. Remember, it is your responsibility to already be familiar with the regulations governing Code Council examinations.

Before the Exam

The Code Council proctor will check your identification, have you sign in, and may assign you a seat. The examination proctor will explain the procedures for taking the examination; answer questions related to taking the exam and provide notification to begin the examination.

During the Exam

- You are not allowed to write or mark in or on your reference books during the examination.
- While the examination is being administered, you are not allowed to leave the building and return to the exam room. If you wish to leave the exam room for any reason, you must receive permission from the proctor and turn in all of your examination materials and references to the proctor.
- Only one examinee at a time is allowed outside the exam room, and you are not allowed additional test time for time spent outside the exam room.
- You are not allowed to communicate, verbally or nonverbally, with other candidates during the examination, and you may not share references.
- It is **highly recommended** that if you are taking a computer-based exam, especially for the first time, you complete the tutorial available to you at the beginning of your exam. The time spent on the tutorial does not count against your exam time. You will receive important information about how to keep track of your time remaining, how to mark items for review, where to find the number of the question you are on, and more.

For electronically administered examinations, there is an optional clock on the computer that counts down to display the time remaining. (Information on turning on the clock is available in the tutorial prior to the exam.) When the time limit is up for the examination, the computer will end the test.

After the Exam

If you complete an examination before the time limit has expired, you may conclude your examination appointment and leave.

If you pass your examination, you cannot retake the examination you passed. If you do not pass your examination and wish to comment on your experience, please see the section of this bulletin titled "Feedback and Appeals Process."

Feedback and Appeals Process

Step 1: ICC Certification & Testing Staff Review

- Why:** To have ICC Certification & Testing staff review comments or challenges on specific exams or exam items
- How:** You must submit a Comment / Challenge form to ICC with your original signature (form available at www.iccsafe.org/inspector or upon request after your exam at a Pearson VUE test site); this form must contain a separate and complete statement of each item upon which your comments are based, and must be mailed to the following address:
- International Code Council
Candidate Services Coordinator
900 Montclair Road
Birmingham, AL 35213
- Fee:** None (\$0)
- Deadline:** You must submit the above form to ICC within 90 days following your exam date
- Response:** You will be mailed a response from ICC staff within 15 business days from receipt of the form by ICC; a request for staff review is based solely upon the most recent examination taken

Step 1 must be completed prior to Step 2.

Step 2: Appeal to Exam Development Committee (EDC)

- Why:** To appeal the results of the ICC Certification & Testing staff review to the EDC; you can read more about the EDC and their function at www.iccsafe.org/Membership/Pages/ExamDevelopmentCommittees.aspx
- How:** You must submit your request in writing to ICC, at the following address:
- International Code Council
Candidate Services Coordinator
900 Montclair Road
Birmingham, AL 35213
- Fee:** None (\$0)
- Deadline:** You must submit your written request within 30 days of the date of the ICC staff denial letter
- Response:** A response will be provided to you in writing after the next available EDC meeting, which can take as long as 120 days; an appeal to EDC is based solely upon the most recent examination taken

Step 2 must be completed prior to Step 3.

Step 3: Appeal to the Board for International Professional Standards (BIPS)

BIPS serves as the oversight advisory board to the exam development committees; you can read more about BIPS and their function at www.iccsafe.org/accreditation/BIPS

Why: To provide you a final level of appeal

How: You must submit your request in writing to ICC, at the following address:

International Code Council
Candidate Services Coordinator
900 Montclair Road
Birmingham, AL 35213

The hearing will be held from 60 days to 6 months from your request, dependent on availability of BIPS members; you will receive a minimum 30 days written notice as to date, time, and place of hearing, and you can participate in person, at your expense, or at no charge via teleconference; you will have an opportunity to present documentary or oral evidence, or to provide witnesses in support of the appeal, by participating in the BIPS hearing

Fee: None (\$0)

Deadline: You must submit your written request within 30 days of the EDC challenge denial letter date

Response: You will be mailed results of the hearing within 15 days of the date of the hearing

Important: **BIPS is the final level of appeals**

Optional Services

Optional: Hand Score

Why: To verify the accuracy of the candidate's reported score; please be aware that ICC and Pearson VUE follow very careful scoring procedures to ensure accuracy prior to issuance of score reports

How: You must complete the Hand Score Request form (at www.iccsafe.org/inspector) and submit this form with original signature and copy of your score report to ICC

Fee: \$25.00

Deadline: You must request a hand score within 90 days from your exam

Response: You will be mailed the results of the hand score within 15 days from receipt of your request

Impact: Please know that it is very rare that a score will be changed based on a hand score, as the automated scoring systems are very accurate; a request for hand score is based solely upon the most recent examination taken

Optional: Review Session **

Why:	To review missed test questions; you must be within ten (10) points of passing score. This is not an opportunity to change answers, ask questions, or see the correct answers, but only to review those items scored as incorrect, along with the answers you marked, for use in completing a formal challenge if you wish. A review session is based solely upon the most recent examination taken.
How:	You must submit the request form available at www.iccsafe.org/inspector , along with fee
Fee:	\$75.00—NOTE: you do not need to complete a review session to challenge your exam
When:	You must schedule your review session within 90 days from your exam
Response:	You will not receive a response based solely on the review session; instead, you will be provided a response to any items on which you complete a challenge form during your review session

**** Review Sessions**

Reviews are completed at a paper-and-pencil testing location. Due to the limited number of paper-and-pencil test sites around the country, it may take several months to secure a site for your review session. Review sessions can always be scheduled for the four annual National Certification examination dates and sites.

Review sessions are limited to one half of the original examination time. For a two-part examination, reviews are limited to one half of the original time for the portion of the examination which was failed. Candidates may bring in any of the texts listed in the Examination Information Bulletin as required references for the examination.

Candidates must submit this form with applicable fee and a copy of the score report received. An original signature on this form is required.

Submit completed forms, fees, etc. to:

International Code Council
ATTN: Candidate Services Coordinator
900 Montclair Road
Birmingham, AL 35213

(888) 422-7233, ext. 5227 (toll-free)
(205) 599-9884 (facsimile)

Computer-based Testing

Registering for a Computer-based Examination

To register to take a Code Council computer-based certification exam, call the ICC DBPR Examination Reservation hotline at 1-877-224-0231 or visit www.catglobal.com to register online. You must provide the EXAM ID and EXAM TITLE when registering.

Customer care reservations and customer service lines are open Monday through Friday from 8:00 a.m. to 11:00 p.m. (Eastern Time), Saturday from 8:00 a.m. to 5:00 p.m., and Sunday from 10:00 a.m. to 4:00 p.m. When you call to make your examination reservation, a representative will help you select the optimal test date and location for your schedule, provide instructions and directions, and give your examination reporting time. Walk-in testing is not available.

You may make an exam reservation up to one business day prior to your desired exam date, depending on space availability at the test center.

You must have the following information available at the time you are registering for a Code Council computer-based certification examination:

1. Your DBPR pre-authorization letter
2. Your full name, address, and home and work telephone numbers
3. The examination date and location of the area you desire to take the exam
4. Exam ID and title
5. Your score report, if you are retaking the examination (only for those candidates who originally tested via computer)

Test Site Information

To locate test sites in your area, visit the Pearson VUE website at www.catglobal.com for an updated listing of sites. Be aware that test sites are subject to change.

Payment Policy

Your DBPR authorization letter is all that is required to schedule an examination.

Taking the Examinations

Examinations are administered on a personal computer (PC). Candidates are not required to have any computer knowledge to take the examination on the PC. Before you begin your test, you may take up to 15 minutes to practice with the sample questions. Timing of the examination does not begin until you look at the first question of the actual examination. You will be allowed to change your answers, mark answers for review, go back to skipped questions and, time permitting, review your test.

2010 Examination Dates

Code Council certification examinations are administered nationally, Tuesday through Saturday (exceptions noted below). Testing sessions are generally held at 8:00 a.m. and 1:00 p.m. Some test centers are open daily, while others are open on specific days of the week. In some locations, exams are administered on a monthly basis. Pearson VUE offices are closed in observance of the following holidays in 2010:

New Year's Day
Martin Luther King, Jr. Day
Memorial Day
Independence Day
Labor Day
Thanksgiving (including Friday following holiday)
Christmas (including day after Christmas)

Inclement Weather or Other Emergencies

Test administrations will be delayed or canceled only in emergencies. If severe weather or a natural disaster makes the test center inaccessible or unsafe, the test administration may be canceled. Call Pearson VUE at 1-800-274-2615 to check weather or other emergency delays.

How to Change an Examination Appointment

To change or cancel your reservation, you must call the ICC DBPR examination reservation hotline at 1-877-224-0231 at least two business days before your scheduled examination.

To Cancel an Exam Reservation

Cancel or change your appointment by:	If your examination is scheduled for:
Wednesday	Saturday
Thursday	Tuesday
Friday	Wednesday
Monday	Thursday
Tuesday	Friday

If You are Absent from Your Reserved Examination

All candidates seeking excused absences must submit written verification and supporting documentation of the situation to the Code Council within 14 days of the original examination date. Illness excuses must be written by the attending physician. Inclement weather is not acceptable as an excused absence. If, on the day you are scheduled to test, you are unable to attend the examination for which you were scheduled, you may be excused for the following reasons:

1. Documented illness, either yourself or immediate family member;
2. Death in the immediate family;
3. Disabling traffic accident;
4. Court appearance or jury duty; or
5. Military duty.

Test Results

After completing the test, candidates will raise their hands and the assessment center manager will retrieve the unit for immediate scoring. Failing candidates will be provided with diagnostic information on their performance on major content areas of each examination taken. This information is not used to determine whether a candidate passes or fails; it is for self-evaluation only. Candidates who pass will be notified with the word "PASS." Refer to Examination Scoring on page 8.

You must pass both the ICC certification and the Florida Principles and Practice examination to be eligible for licensure. Your license will be issued by DBPR in approximately 30 days. Once your license has been issued or an additional category has been added to your existing license, you can verify this on the website for the Florida Department of Business and Professional Regulations, www.myfloridalicense.com/dbpr. You may begin to work under your new license or category. You are not required to wait until you receive your actual license to work.

Rule 61G19-6.085 F.A.C. states, "An applicant for licensure under this part shall satisfactorily complete the Florida laws and rules (Principles and Practice) exam with a passing grade of 70% or higher. An applicant shall not have to take the exam again provided the applicant has maintained continuous employment in one of the licensure categories of Chapter 468, Part XII, Florida Statutes, or Chapter 471 or 481, Florida Statutes, active licensure and continuing education."

If you have not taken or passed the Florida Principles and Practice examination, please contact Pearson VUE at 1-888-204-6230.

Special Arrangements and Services

The Code Council certifies that it shall comply with the provisions of the Americans with Disabilities Act (ADA). If you need special arrangements for testing, you may ask for special testing services at the time of registration. All examination sites have access for candidates with disabilities.

The Code Council will make sure candidates are provided auxiliary aids and services, except where it may fundamentally alter the examination or results. It is recommended that you submit a written request for special test arrangements and services to DBPR along with your request for pre-approval. Please contact DBPR at 1-850-487-1395 for further details. In addition, candidates should indicate

when registering for re-examination that special arrangements were made or services used for the prior test administration, and that these services will be needed again for the upcoming test date.

TDD (Telecommunications Devices for the Deaf) equipment is available to assist deaf and hearing-impaired candidates. TDD calling is available during standard business hours through a special Code Council toll-free number at 1-800-274-2617. This phone number is for express use by candidates with compatible TDD equipment.

Specially arranged examinations will be confirmed directly with the candidate. In some cases, there may be an additional fee for special arrangements.

In the event that an examination is offered only on Saturdays, candidates who cannot take the examination for religious reasons may request a non-Saturday test administration. Such a request must be put in writing on official stationery by your religious advisor and sent via fax machine, or mailed to the Code Council. Non-Saturday testing for this circumstance is done only on a prearranged basis.

Re-examination Instructions

Below are re-examination instructions for candidates that fail a pre-authorized examination:

- Employees of governmental agencies (city/county) employees shall pay NO additional fee. To re-schedule a pre-authorized CBT examination, call the Code Council reservation hotline at 1-877-224-0231.
- Non-governmental applicants are required to pay a fee of \$25.00 per examination. A re-examination application should be mailed to the Department with a check or money order, payable to DBPR, at the address listed below. This application is available at www.myfloridalicense.com/dbpr.

**Department of Business and Professional Regulation
Board of Building Code Administrators and Inspectors
1940 N. Monroe Street
Tallahassee, FL 32399-0783**

For candidates with address changes:

Please notify the Department in writing at the address listed above. Please also notify the Code Council by faxing your change of address to 205-599-9897.
