

PARTICIPATING JURISDICTION AGREEMENT CONTRACTOR/TRADES EXAMINATION PROGRAM

This agreement is between the INTERNATIONAL CODE COUNCIL (“Code Council”) and the Jurisdiction listed below (“Jurisdiction”):

Jurisdiction State

The Jurisdiction hereby agrees that it will recognize that a person meets the testing requirements for licensing in the Jurisdiction, if he/she has successfully passed an examination in a category offered by ICC’s Contractor/Trades Examination Program. Participating jurisdictions will have access to website verification of examination administrations. Information provided on this website is subject to Code Council official policy.

Unsuccessful candidates will receive notice of the outcome of their examination at the test site (for computer-based testing) or in the form of a letter from the Code Council (for paper-and-pencil testing). Successful candidates taking examinations via paper-and-pencil can check the Code Council website to confirm passing, and may receive an official pass letter from the Code Council. Successful candidates taking examinations via computer-based testing will receive a score report at the test center, immediately following their test administration.

This agreement will remain in effect until written notice is given to the Code Council.
