The Review Session Request form is designed for a candidate to review missed questions and/or answers. It is **not** an opportunity to change answers on an examination. Reviews are completed at either a paper-and-pencil testing location or at Pearson VUE, depending on the type of exam, and are limited to one half of the original examination time. For a two-part examination, reviews are limited to one half of the original time for the portion of the examination which was failed. Candidates may bring in any of the texts listed in the Examination Information Bulletin as approved references for the examination. The candidate will be provided the questions which were scored as incorrect, along with the answer the candidate marked. The correct answer will not be provided. Candidates will not be allowed to ask questions.
