

ICC CODE CORRELATION COMMITTEE (CCC)

The next meeting of the
ICC Code Correlation Committee
will be held June 6, 2008.

- MEETING NOTICE -

The meeting will be held as a teleconference that will begin at Noon Central Time
Friday, June 6, 2008.

The sole purpose of the meeting will be to discuss necessary editorial revisions to each of the International Codes to remove reference to the International Code Council Electrical Code—Administrative Provisions, in light of the fact that this code has been withdrawn from the ICC family of International Codes by the ICC Board of Directors.

The tentative agenda will be posted on the ICC website at:
<http://www.iccsafe.org> – see the Code Development page under “Codes and Standards.”

The Code Correlation Committee shall have the responsibility for making recommendations concerning editorial consistency in the ICC family of International Codes, and concerning scoping and maintenance issues.

This meeting is open to the public. If you plan on attending the meeting, please contact Dave Bowman, Committee Secretary for call in information to join the teleconference.
