## **Steering Committee on Code Councils Scope & Objectives**

### **SCOPE:**

The International Steering Committee on Councils (“ISCC”) represents the ICC Councils with representatives of each of the code councils, consisting of the chair and vice-chair of each council. The purpose of the steering committee is to review issues of mutual interest to two or more councils and bring the ICC Board a coordinated recommendation.

**OBJECTIVES:** Establishing consistency and coordinate the work of the councils on a number of issues as outlined as follows:

1. Committee appointment process
2. Appeals procedure including the size, composition and method of establishing appeals committees
3. Moderator selection
4. Recommendations on code development process changes
5. Code development training needs for code committee chairs and moderators
6. Representation of code councils at various ICC standing committees, i.e., Industry Advisory Council
7. Budget
8. Other issues within the code councils scope

**MEETINGS:** Meetings of the Steering Committee on Councils shall be determined on an as-needed basis, with a minimum of one meeting a year in conjunction with the ICC Annual Business Meeting.
