Final Action Agenda Discussion Guide**

Revised S80-03/04 4/19/04
Revised G95-03/04 5/10/04

The purpose of this guide is to assist the efficient discussion of the individual agenda items by providing an overview of the committee actions, assembly actions(if any) and the submitted Public Comments. The agenda items are listed in the same order as the published Tentative Hearing Order on page xii of the 2004 Final Action Agenda document.

See *ICC Code Development Process for the International Codes* on page x of the 2004 Final Action Agenda document. Section 7.3.3 of the code development procedures requires that the Code Development Committees action be the initial motion considered. This information is provided in the column under “Committee Action(Initial Motion).”
