

**2004/2005 ICC Code Development Cycle
Final Action Agenda Discussion Guide**

Revised 10/2/05

The purpose of this guide is to assist the efficient discussion of the individual agenda items by providing an overview of the committee actions, assembly actions(if any) and the submitted Public Comments. The agenda items are listed in the same order as the published Tentative Hearing Order on page xxiii of the 2005 Final Action Agenda document.

See *ICC Code Development Procedures Process for the International Codes* on page xiii of the 2005 Final Action Agenda document. Section 7.3.3 of the code development procedures requires that the Code Development Committees recommendation be the initial motion considered. This information is provided in the column under "Committee Action(Initial Motion)."
