

PUBLIC HEARING RESULTS ON THE 2004/2005 PROPOSED CHANGES TO THE INTERNATIONAL CODES

This is a summary of the actions taken on the 2004/2005 Proposed Changes to the ICC International Codes at the February 22- March 4, 2005 Code Development Hearings held in Cincinnati, Ohio. Proposed changes were heard on the following codes. The subcommittees to the IBC and IRC are listed under the respective code. The letter designation in the parenthesis indicates the code change prefix.

- *International Building Code*®
 - Fire Safety (FS)
 - General (G)
 - Means of Egress (E)
 - Structural (S)
- *ICC Electrical Code*® — *Administrative Provisions* (EL)
- *International Energy Conservation Code*® (EC)
- *International Existing Building Code*® (EB)
- *International Fire Code*® (F)
- *International Fuel Gas Code*® (FG)
- *International Mechanical Code*® (M)
- *International Plumbing Code*® (P)
- *International Private Sewage Disposal Code*® (PSD)
- *International Property Maintenance Code*® (PM)
- *International Residential Code*®
 - Building/Energy (RB)
 - Plumbing (RP)
 - Mechanical (RM)
- *International Urban-Wildland Interface Code*® (IUWIC)
- *International Zoning Code*® (Z)

Note: There were no proposed changes submitted to the ICC Performance Code.

These action lists include the proposed code change number, the committee action and the successful assembly action, if any. Example: FS49-04/05 was D/ASF. This indicates that the IBC Fire Safety Committee voted for disapproval of code change proposal FS49-04/05. The assembly voted in favor of a motion for approval of FS49-04/05. Therefore, the code change proposed will be included in the Final Action Agenda for individual consideration at the final code change hearings in Detroit, Michigan, September 25 through October 1, 2005.

These action lists do not include approved modifications made to proposed code changes or reasons for committee actions. A complete report of all actions taken on proposed changes to the ICC International Codes, including modifications and reasons for committee actions, are contained in the *Report of the Public Hearings*.

The “Part” listed after the code change indicates the respective items of the code change that involve coordination issues between I-Codes. For example, FS79-04/05, Part I, was heard by the IBC Fire Safety Committee and FS79, Part II, was heard by the IRC Building/Energy Committee.

A summary of the actions and the full *Report of the Public Hearings* will be posted in the code development section of the ICC web site at www.iccsafe.org around April 6, 2005 and is schedule to be mailed in late April. Code change proponents and those who received a code change monograph will automatically receive the report. Public hearing registrants and other interested parties may obtain a copy of the report by sending the return coupon posted on the ICC web site to the Chicago District Office. The deadline for the receipt of public comments to the hearings actions on proposed code changes to the ICC International Codes is **June 16, 2005**. A public comment form is found in the *Report of the Public Hearing* at the web site.
