## INTERNATIONAL ZONING CODE COMMITTEE HEARING RESULTS

---

**Z1-07/08**

**Committee Action:**

**Approved as Modified**

**Modify the proposal as follows:**

**109.2.2 Time limit.** An appeal shall only be considered if filed within ~~20~~ [NUMBER OF WORKING DAYS] ~~working days~~ after the cause arises or the appeal shall not be considered. If such an appeal is not made, the decision of the code official shall be considered final.

**Committee Reason:** The committee agreed that the number of days to file an appeal to a decision by the Zoning Code Official should be determined by individual jurisdictions, in order to be consistent with other International Codes. Therefore the modification deleted the proposed number of 20 and inserted [NUMBER OF WORKING DAYS] for each jurisdiction to fill in as part of their adopting ordinance.

**Assembly Action:**

**None**
