

2015 GROUP A COMMITTEE ACTION HEARING SCHEDULE

April 19 – 28, 2015

Memphis Cook Convention Center: Memphis, TN

The hearings will start at 1:00 pm on Sunday, April 19th. Prior to the hearings, some of the Membership Councils will be holding meetings. Be sure to consult the [Membership Councils](#) webpage for details as they become available.

In order to minimize code related subject matter conflicts between tracks, the hearings are scheduled in two tracks, as follows:

Track 1: Building related – IPMC/IZC, IEBC and IBC

Track 2: Plumbing/Mechanical/Fuel Gas (PMG) related - ISPSC, IFGC, IPC/IPSDC, IRC-P, IRC-M and IMC

Unless noted by “Start no earlier than X am,” each Code Committee will begin immediately upon completion of the hearings for the prior Committee. This includes moving a Committee forward or back from the day indicated based on hearing progress. The actual start times for the various Committees are not stipulated because of uncertainties in hearing progress. The schedule anticipates that the hearings will finish by the date/time noted as “Finish” for each track.

Notes:

- Code change agenda to be posted March 13th.
- Hearing times may be modified at the discretion of the Chairman based on hearing progress.
- Morning and afternoon breaks will be announced. A lunch break is planned for each track. A dinner break is not planned. The hearings are scheduled to adjourn for dinner and resume the next day, unless otherwise necessary to complete the agenda.
- Because of uncertainties in hearing progress, the start time indicated as “start no earlier than xx” is conservatively estimated and is not intended to be a hearing progress target.
- Consult the hearing order in the posted code change agenda for:
 - Code changes to be heard by a Committee other than the Committee under which the code change is designated (i.e. an IBC Egress code change (Exx-15) heard by the IBC – G Committee).
 - Code changes comprised of multiple parts where each part is heard by a different Committee. For example, code change Pxx- 15 Part I is heard by the IPC/IPSDC Committee as a change to the IPC and Pxx – 15 Part II is heard by the IRC – MP Committee as a change to the IRC.
 - Code changes to the definitions to determine the applicable Committee who will hear the change to the definition for the respective code.
- There are no code change proposals submitted to the IZC
