

SC Approval Date: November 14, 2002

Consensus Committee (CC) Title:

Consensus Committee (CC) on the ICC Amusement Standard (IS-AMS)

IS-AMS CC SCOPE:

The Consensus Committee (CC) on the ICC Amusement Standard (IS-AMS) shall have primary responsibility for minimum requirements to safeguard the public health, safety and general welfare through requirements for the installation, construction, alteration, repair, removal, operation, and use of amusement rides and devices and associated equipment; temporary structures and temporary use of permanent structures associated with amusement rides and devices, including incidental areas and uses associated with the rides and devices; and the inspection of traveling carnivals and fairs. The requirements contained in the International Codes pertaining to these situations shall be incorporated into the standards developed by the IS-AMS CC.

TITLE OF STANDARD:

ICC Amusement Standard

ANSI PINS: Scope Summary or Abstract of Project:

The *Amusement Device Code* will provide minimum requirements to safeguard the public health, safety and general welfare through requirements for the installation, construction, alteration, repair, removal, operation, and use of amusement rides and devices
