1.0 **Call to order: 12:00 p.m. November 13**

1.1 **Introduction of Committee and Interested Parties**

1.2 **Establish quorum**

Chairman Green called the meeting to order at 12:50 p.m. on Tuesday, November 14. Self introductions were made. A quorum was not present. Chairman Green ruled that business will be conducted, as outlined on the agenda and that the members of the committee will be letter balloted on the results of the meeting, namely, the Final Draft.

2.0 **Approval of Agenda**

Approved

3.0 **Approval of Meeting #3 Minutes, August 6 - 7, 2001**

Minutes will be sent to the committee for approval at the next opportunity due to the lack of quorum.

4.0 **Review Draft 3**

5.1 **Committee/interested parties proposed revisions**

The Final Draft will be created as a result of the actions by the committee at Meeting #4.

5.0 **Review IBC 2002 Code Changes**

Not done. Staff indicated that the only changes necessary to incorporate the standard into the IBC will be proposed. Revisions to the IBC to reflect the standard will not be submitted.

6.0 **Timeline for committee approval of standard/submission to ANSI**

Staff indicated that the next step in the process, as this is the last meeting of the drafting committee would be the review and approval of the revisions made at Meeting #4 and incorporated in the Final Draft which would then be submitted to the ANSI process. It was anticipated that the Final Draft would be balloted by the committee in mid-December. This would be followed by the submission to ANSI.

Staff note: The Final Draft went to the Committee for balloting on December 7, 2001. This ballot included 2 options relative to the accessibility provisions (Option 1 – refer to the building code for accessibility; Option 2 – include the accessibility provisions in the standard.) The Final Draft was approved by the Committee, in favor of Option 1. The Final Draft was submitted to ANSI

and posted for Public Review and Comment on February 22, 2002 for 45 days, with a Comment closing date of April 8, 2002.
