

**Membership Roster of the**  
**International Code Council Standards Consensus Committee**  
**Consensus Committee on**  
**Hurricane Resistant Construction(IS-HRC)**

**Consensus Committee SCOPE:** The Consensus Committee (CC) on Hurricane Resistant Construction (IS-HRC) shall have primary responsibility for minimum requirements to safeguard the public health, safety and general welfare through requirements for buildings and other structures sited in hurricane prone areas. The requirements contained in the International Codes pertaining to these situations shall be incorporated into the standards developed by the IS-HRC CC.
