

Membership Roster of the
International Code Council
Standards Consensus Committee
(CC)
Consensus Committee on Storm Shelters
(IS-STM)

Date: January 2007

IS-STM CC SCOPE: The Consensus Committee (CC) on Storm Shelters (IS-STM) shall have primary responsibility for minimum requirements to safeguard the public health, safety and general welfare through design, construction, and installation requirements for storm shelters. The requirements contained in the International Codes pertaining to these situations shall be incorporated into the standards developed by the IS-STM CC.

CHAIR: Marc Levitan

VICE CHAIR: Scott Tezak

CC Secretary:

David A. Bowman, P.E.
Manager of Standards,

INTEREST CATEGORIES

General Interest (G): Individuals assigned to the General Interest category are those who represent the interests of an entity, including an association of such entities, representing the general public or entities which promulgate or enforce the provisions within the committee scope. These entities include Consumers, and Government Regulatory Agencies.

User Interest (U): Individuals assigned to the User Interest category are those who represent the interests of an entity, including an association of such entities, which is subject to the provisions or voluntarily utilize provisions within the committee scope. These entities include Academia, Applied Research Laboratory, Building Owner, Design Professional, Government Non-regulatory Agency, Insurance Company, Private Inspection Agency, and Product Certification/Evaluation Agency.

Producer Interest (P): Individuals assigned to the Producer Interest category are those who represent the interests of an entity, including an association of such entities, which produces, installs or maintains a product, assembly or system subject to the provisions within the committee scope. These entities include Builder, Contractor, Distributor, Labor, Manufacturer, Material Association, Standards Promulgator, Testing Laboratory, and Utility.

Non-voting Interest (N): Individuals assigned to the Non-voting Interest category are those who serve in an advisory capacity to the Committee.

NOTE – Multiple Interests: Individuals representing entities in more than one of the above Interest categories, one of which is a Producer Interest, are assigned to the Producer Interest. Individuals representing entities in the General Interest and User Interest categories are assigned to the User Interest.

Voting Membership in Each Category

<u>Category</u>	<u>Number</u>		
General - (G)	6	Non-voting - (N)	0
User - (U)	6		
Producer - (P)	6		
TOTAL	18
