

2007 CHAPTER REWARDS PROGRAM

Overview:

The Chapter Rewards Program is a voluntary program that rewards chapters by allowing them to earn points for activities accomplished during the previous year. This program does not replace any of the benefits listed in the ICC Chapter Policy (CP #10-04). Those benefits will continue to automatically accrue to all chapters that submit an Annual Report each calendar year.

Following is the process for chapters who wish to participate in the Chapter Rewards Program.

- Step 1:** Give us your contact information in Section 1 below.
- Step 2:** Complete Section 2 to determine how many points you have earned.
- Step 3:** Tell us how you want to spend your points in Section 3. You must indicate how you want to spend your points at the same time you claim the points that you have earned.
- Step 4:** Mail the completed application to the address listed in Section 4. You will receive a certificate for each reward requested.
- Step 5:** Follow the instructions on your certificate to redeem your reward from the appropriate ICC department.
