Staff: Lorri Rosenfeldt

Scope: Education Committee

The Education Committee shall advise training and education staff and the ICC Board of Directors on matters related to ICC providing appropriate, economical, and accessible educational activities that members can utilize to progress in their careers.

Objectives of the committee:

- Gather input regarding member expectations and provide feedback to the ICC Board of Directors and ICC staff.
- Recommend curriculum and services that will assist governmental and regulative authorities and ICC chapters.
- Review and assess the education curriculum and training services for relevance and technical accuracy to ensure the members receive the highest caliber of professional education.
- Assist staff in the planning and facilitation of educational programs when requested.
- Review and select scholarships for the ICCF scholarship funds.
