

COMMITTEE ACTION HEARING RESULTS ON THE 2015 PROPOSED CHANGES TO THE INTERNATIONAL CODES – GROUP A

This is a summary of the actions taken on the 2015 Proposed Changes to the ICC International Codes at the **April 19 – 28, 2015** Committee Action Hearings held in Memphis, TN.

These action lists include the proposed code change number, the committee action and the assembly motion, if any. Example: FS2-15 indicates “D/ASF”. This means that the IBC Fire Safety Committee voted for Disapproval of code change proposal FS2-15. Following the action by the committee, there was a motion from the floor by the assembly for Approval as Submitted (ASF). This motion for ASF will be voted on during the Online CAH Assembly Floor Motion Voting period. The voting period will open during the week of May 11th and be open for two weeks. Once established, the voting period will be posted and noted in ICC e-publications.

The “Part” listed after the code change indicates the respective items of the code change that involve coordination issues between I-Codes. For example, P101-15 Part I, was heard by the IPC Committee and P101-15 Part II, was heard by the IRC-Mechanical/Plumbing Committee.

A comprehensive report of CAH actions will be posted **June 5, 2015** in the Report of the Committee Action Hearing. This will indicate the action taken by the committee and their reasons, approved modifications, the results of the Online CAH Assembly Floor Motion Vote and any errata to the text of the code change proposals.

The deadline for receipt of public comments is **July 17, 2015**. All public comments must be submitted online via cdpACCESS (cdpACCESS.com).

The highlight of the CAH was the roll out of the first Online Floor Modification Submittal process utilizing cdpACCESS. The process was a success. Due to the fact that this was the first time utilizing this process, there were minor issues encountered. Those issues are being corrected.

This 2015 Group A CAH is the first hearing in the 2015 Cycle. The submittal of public comments will be considered at the 2015 Group A Public Comment Hearings (PCH), scheduled for **September 30 – October 7, 2015** in Long Beach, CA.

Following the PCH, the Online Governmental Consensus Voting (OGCV) period will start approximately 2 weeks after the conclusion of the PCH. The results of the PCH will be combined with the OGCV to determine the final disposition of the code change proposals that were considered at the PCH.

The remaining codes for the 2015-2017 cycles include:
