

GEW84-14

605, 606

Proponent: Gary Klein, Affiliated International Management, LLC, representing self (gary@aim4sustainability.com); Craig Conner (craig.conner@mac.com)

Delete without substitution:

~~**605 BUILDING ENVELOPE SYSTEMS**~~

~~**606 BUILDING MECHANICAL SYSTEMS**~~

Reason: The intent of the proposal is to delete all of Sections 605 and 606. Building Envelop and Mechanical Systems should be deleted as that function is in the IECC. A good deal of this is just confusing.

Cost Impact: Will not increase the cost of construction. The proposal removes provisions.
