102.7

Proponent: David Collins, representing AIA (dcollins@preview-group.com)

Delete without substitution:

~~**102.7 Mixed occupancy buildings.** In mixed occupancy buildings, each portion of a building shall comply with the specific requirements of this code applicable to each specific occupancy.~~

Reason: The intent of this section is unclear and the wording is misleading. There are no Use Group specific requirements in the IgCC. Where use groups are called out, there can be no doubt what the intent is that requirement applies to that use and all other uses.

Cost Impact: Will not increase the cost of construction
