

# ICC & World Water Day

100 YEARS  
LEGACY IN BUILT ENVIRONMENT

BE WATER WISE

MARCH 22, 2016

Focusing on Water Conservation and Efficiency in the Built Environment

SAVE WATER

Water Conservation and Efficiency Provisions are Built into our Codes

- MORE INDUSTRY PARTNERSHIPS**
- + ASHRAE Water Efficiency Provisions
  - + ASABE Landscape Irrigation Standard
  - + NAHB National Green Building Standard
  - + RESNET Water Efficiency Rating (WER) Index

*"All of us are connected through the use of water, and the Code Council and other organizations are doing our part to ensure the building safety industry is contributing to resolving this growing crisis."*

— ICC Board of Directors President  
— Alex Olszowy, III
