Notes:

Where “hand count” is indicated, the moderator determined the vote majorities by visual observation of the raised hands of the voters in the assembly.

The PCH action on the following code change proposals is “Disapproval” in accordance with Section 7.5.8.9 of CP 28 Code Development:

1. GEW1: The last main motion for “As Submitted” required a 2/3 majority to pass. The motion failed 45 – 43.
2. GG86: The main motion for “As Submitted” required a simple majority to pass. The motion failed 32 – 35.
3. GG105: The main motion for “As Submitted” required a simple majority to pass. The motion failed 29 - 47.
4. GG134: The last main motion for “As Submitted” required a 2/3 majority to pass. The motion failed by a hand count.
5. GG147: The main motion for “As Submitted” required a simple majority to pass. The motion failed 28 - 30.
6. GG194: The main motion for “As Submitted” required a simple majority to pass. The motion failed 37 - 56.
7. GG234: The last main motion for “As Submitted” required a 2/3 majority to pass. The motion failed 30 - 28.
8. GG320: The last main motion for “As Submitted” required a 2/3 majority to pass. The motion failed 66 - 45.
