**Please complete the following. Attach résumés or additional sheets as necessary.**

- State why you wish representation on the A117 Committee and provide specific relationship to one or more elements of Committee work.

IES as an organization has been involved in developing standards for the senior living environment for more than 20 years, authoring the ANSI standard RP-28. The current A117.1 members may not have specific lighting knowledge or an understanding of current code requirements for lighting.

- State the extent to which the A117.1 Standard directly and materially affects your interest. A revision to the ANSI/IES standard RP-28 is underway and it is important that the next version reflects the issues are important to the broad community.

- Provide evidence of expertise in areas relevant to the A117 Committee and the Interest category you have selected in Part 1 - #2 above.

The IES members we are recommending have expertise in this application area. Eunice Noell-Waggoner is a past chair of the IES RP-28 committee and Robert Dupuy is the current chair. Greg Guarnaccia is a current member of the IES committee.

## Part VI. Additional Information

Provide any additional information as may be appropriate to assist in the evaluation of your application. Attach additional sheets if necessary. (See resume attached)
