

# Significant Changes to the International Residential Code 2009 Edition

## Errata to the First Printing

Page 119, Section R404.5, Precast Concrete Foundation Walls.  
Change Summary, 2<sup>nd</sup> sentence as follows:

Where required, Design drawings must be prepared by a registered design professional. Design drawings must include the applicable design criteria and be submitted to the building official for approval. (Posted 7/10/09)

Page 272 (G2415.6): Delete the bottom illustration in its entirety, including its caption, but keep the main caption "Gas piping in solid floors" at the bottom of the page. (Posted 8/4/09)

Page 274 (G2415.12): Delete the bottom illustration in its entirety, including its caption, but keep the main caption "Gas piping underground beneath buildings" at the bottom of the page. (Posted 8/4/09)
