

Easy Steps to Follow

How to Vote on Assembly Motions

STEP 1: Go to cdpACCESS.com and log in with your My ICC username and password. You can reset your password from the 'Forgot your password?' link. If you are locked out, please contact members@iccsafe.org or 888-ICC-SAFE (888-422-7233 x33804.)

STEP 2: Review the Timeline for information about this code change cycle.

STEP 3: Click on [Vote On Assembly Motions](#), or click 'Vote' at the top of the site.

STEP 4: View the Assembly Motion screen. This screen provides a reference summary of all proposals with Assembly Motions available for voting.

STEP 5: Click on a proposal to bring up the Voting Screen.

STEP 6: Review the Proposal. Click on [Hearing Information](#) to review the Committee decision, as well as view video of the testimony.

STEP 7: Choose [Support](#) or [Oppose](#) in the box on the right hand side of the screen.

STEP 8: Enter your PIN. If you have forgotten your PIN, visit iccsafe.org/cdpforgot.

STEP 9: Click [Vote](#). You will see your vote, and a date and time stamp indicating when you voted.

STEP 10: Click on another Proposal to continue voting, or click Vote at the top of the screen to see the complete list. You may review and change your vote any time during the voting period.
