

**DISCUSSION GUIDE
2009/2010 ICC CODE DEVELOPMENT CYCLE
FINAL ACTION AGENDA DISCUSSION GUIDE**

April 12, 2010

The purpose of this guide is to assist the efficient discussion of the individual agenda items by providing an overview of the committee actions, assembly actions (if any) and the submitted Public Comments. The agenda items are listed in the same order as the published Tentative Hearing Order on page xxviii of the 2010 Final Action Agenda document.

See page xiii of the 2010 Final Action Agenda document (CP#28-05). Section 7.3.8 requires that the Code Development Committee Action will be the initial motion unless there was a successful Assembly Action. If there was a successful Assembly Action, then it will be the initial motion considered. This is reflected in the column under Initial Motion.

7.5 Majorities for Final Action: The required voting majority based on the number of votes cast of eligible voters shall be in accordance with the following table:
