V. **Spring Education Event, Arlington TX Schedule**
Tracy Lendi, Vice President of Training & Education, reviewed the enrollment numbers thus far. She also reported that the new website for the event is up and running. Mr. Horras asked when the BPI schedule will be posted. Hamid Naderi, Sr. Vice President, Product Development, replied that it should be on their
VI. Training Needs Assessment (Fire Membership Council)
Mr. Delesandro and Ms. Nancy Springer spoke with the Fire Membership Council. They have readdressed the letter to Mr. Delesandro and asked ICC help identify performance gaps. Mr. Delesandro stated that instead of limiting this to just fire there should be an overall look at all topics and a needs assessment should be performed. Dr. Lendi replied that this information would be beneficial; however, the right survey tool is imperative. Mr. Naderi reminded the committee that while ICC should look at the gaps, it also needs to be focused on its core area of strength per the Board of Directors 5 part strategy. The intent of the Preferred Provider Program is to have more specialized/advanced training and bridge the gap between the ICC foundational courses and code content and the need for more in depth training. It was suggested that the ABM call presenters be geared toward the needs of the Membership training-wise. While the call for presenters is well ahead of the survey this year, next year the call can be more specific since the survey results will be in hand.

VII. Learning Management System (f/k/a ICC University) Update
Dr. Lendi provided the Committee with a webinar link and navigated the new ICC Leaning Management System (LMS) website. The intent of the LMS is to make it easier to locate the different training courses. Director Davis asked about the launch date. Dr. Lendi replied that it should be available early March. In the interim, she will get the link with a log in to the EC members. She would appreciate any user feedback.

VIII. Preferred Provider Update
Mr. Naderi reviewed the current Preferred Provider statistics. The numbers remain relatively consistent: 70% ICC Chapter/Gov’t Nonprofit, 24% Educators, 7% Industry. In the last two weeks, there were new providers for Special Inspections, a couple of contractors and new electrical training. He will e-mail the report after the call. The website is currently being with T-Rex (certification database) so CEUs will be populated.

IX. Internet Based Testing (IBT) status
Mr. Naderi stated that the original launch was supposed to take place in March/April, but it has been pushed back. The launch will include the 30 most in-demand certifications. Michelle Porter, Director of Certification and Testing, will be sending out a link to test out IBT in the near future.

X. Other Business
- Educator of the Year posted
Ms. Thomas explained that the Educator of the Year nomination form was posted on the website. The e-blast should be sent out shortly. The deadline for nominations is March 31st.

- ABM/Expo Call for Presenters
Dr. Lendi stated the call for presenters for the ABM will be out soon. The deadline for that is also March 31st. Presenters will be offered $100 off registration but will be responsible for their own expenses.
-Special Inspector E-mail
The PDC received an email from an individual about the lack of Special Inspector courses. Discussion ensued. It was determined that the Preferred Provider Program should be able to fill this gap. Michelle Porter and Mr. Hamid will respond to the individual. Mr. Naderi will then reach out to different entities that have special inspector courses to become Preferred Providers.

-NJ Conference
Mr. Delesandro sent out the brochure on the New Jersey Conference coming up along with certification academies that will be offered. Director Davis suggested that he also send out Region VII.

XI. Adjournment
Mr. Reid motioned to adjourn. Mr. Horras seconded. Meeting adjourned at 11:48am PT.
