## - MEETING NOTICE -

---

---

The meeting will be held Tuesday, February 21, 2017, as a telephone conference.

The telephone conference will begin at Noon Central Time  
and will last approximately 4 hours.

The purpose for this telephone conference is for the IS-LOG committee to consider public input that has been submitted from the 2015 Call for Proposals on the 2012 edition of the ICC 400.

The tentative agenda will be posted on the ICC website at <http://www.iccsafe.org/codes-tech-support/codes/code-development-process/standards-development/is-log/>.

The Consensus Committee on Log Structures (IS-LOG) shall have primary responsibility for minimum requirements to safeguard the public health, safety and general welfare through design, construction, and installation requirements for log structures. The requirements contained in the International Codes pertaining to these situations shall be incorporated into the standards developed by the IS-LOG CC.

All meetings are open to the public.

If you plan on attending the telephone conference, please contact Edward Wirtschoreck, Committee Secretary, for the required dial-in information.
