COMMITTEE ACTION HEARING RESULTS ON THE 2021 PROPOSED CHANGES TO THE INTERNATIONAL CODES – GROUP A

Updated 6/7/2021

This is a summary of the actions taken on the 2021 Proposed Changes to the ICC International Codes at the **April 11 – May 5, 2021** Virtual Committee Action Hearings.

These action lists include the proposed code change number and the committee action. Example: G15-21 indicates AS. This means that the IBC General Committee voted for Approval as Submitted of code change proposal G15-21.

The "Part" listed after the code change indicates the respective items of the code change that involve coordination issues between I-Codes. For example, G20-21 Part I, was heard by the IBC-G Committee and G20-21 Part II, was heard by the IFC Committee.

A comprehensive report of CAH actions will be posted **May 24, 2021** in the Report of the Committee Action Hearing. This will indicate the action taken by the committee, their reasons, any approved modifications and any errata to the text of the code change proposals.

The deadline for receipt of public comments is **July 2**, **2021**. All public comments must be submitted online via cdpACCESS (cdpACCESS.com).

This 2021 Group A CAH is the first hearing in the 2021 Cycle. The submittal of public comments will be considered at the 2021 Group A Public Comment Hearings (PCH), scheduled for **September 21 – 28, 2021** in Pittsburgh, PA (Note, this is a change in dates from the originally published schedule of September 22 – 29, 2021).

Following the PCH, the Online Governmental Consensus Voting (OGCV) period will start approximately 2 weeks after the conclusion of the PCH. The results of the PCH will be combined with the OGCV to determine the final disposition of the code change proposals that were considered at the PCH.

The remaining codes for the 2021-2022 cycles include:

GROUP B (2022)

Committee Action Hearings: March 27 – April 6, 2022 Public Comment Hearings: September 14 – 21, 2022

(Proposed Code Change Deadline: January 10, 2022)

- Administrative Provisions (ADM)
- International Building Code® Structural (S)
- International Existing Building Code® (EB)
- International Green Construction Code® (GC)
 Chapter 1 only
- International Residential Code® Building (RB)

The above codes reflect the Code Council Board of Directors decision to update the energy provisions of the 2021 International Energy Conservation Code and Chapter 11 of the International Residential Code by utilizing ICC's Consensus Procedures for developing and updating standards. Both codes will be published with the remaining I-Codes in the fall of 2023. Based on this new development, the CAH dates of March 27 – April 6 are subject to change.

Committee Action Hearings April 11 - May 5, 2021

Public Comments Due: July 2, 2021
