Mission:

To provide the codes, tools, and resources that members rely on, building safety professionals turn to, and manufacturers and the public trust.

Vision:

Creating safe, affordable, and sustainable buildings and communities.

Local Chapters

“Since 1972 the Finger Lakes Building Officials Association, Inc. has been promoting properly built housing, consistent code enforcement, and educational opportunities for municipal code enforcement officials and building inspectors throughout New York State.”

“The Association of North Alabama Code Officials is committed to developing and advancing members professionals abilities in the administration of the International Codes.”

“Our mission is to educate, train and promote the building through our educational program. Our association answers the growing need for some type of forum in which building officials from all areas of the county can discuss and resolve common problems.”

“WICED is organized to promote the value and recognition of women in the arena of code enforcement and development.”

State Chapters

“Equipping building professionals through education, advocacy, leadership, and code development.”

“The Building Officials Association of Texas is dedicated to enhancing the professionalism of its members, advancing the standards of the building industry, and leading in the resolution of public policy issues.”

“Promoting public health and safety in building construction through legislation, education, and building code development.”

“The Mission of the Connecticut Building Officials Association (CBOA) is to promote the Building Code Profession as integral to building safety and advance the understanding, formulation and enforcement of the Connecticut State Building Code.”
