2025 Group B | Committee Action Hearing #2 (CAH#2)

The Code Hearings will start on Wednesday at 10 AM Eastern Time (October 22, 2025).

The hearings will be conducted **in-person only**. The hearings will be streamed live for individuals wishing to watch them online (note this is a ‘view only’ option).

Unless noted by a “Start no earlier than X” each Code Committee will begin immediately upon completion of the hearings for the prior Committee. This includes moving a committee forward or back from the day indicated based on hearing progress. The actual start times for the various Committees are not stipulated because of uncertainties in hearing progress. This may require going beyond the scheduled finish time. The schedule anticipates that the hearings will finish on the date indicated in the schedule provided below.

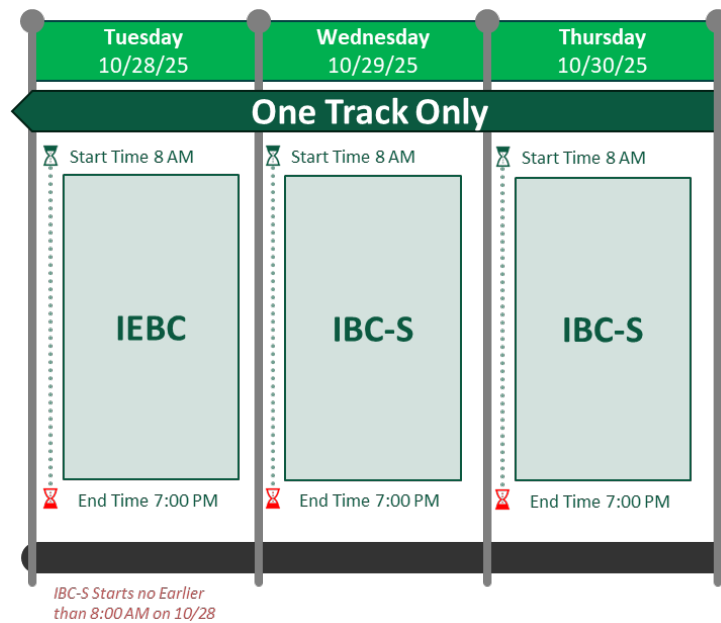

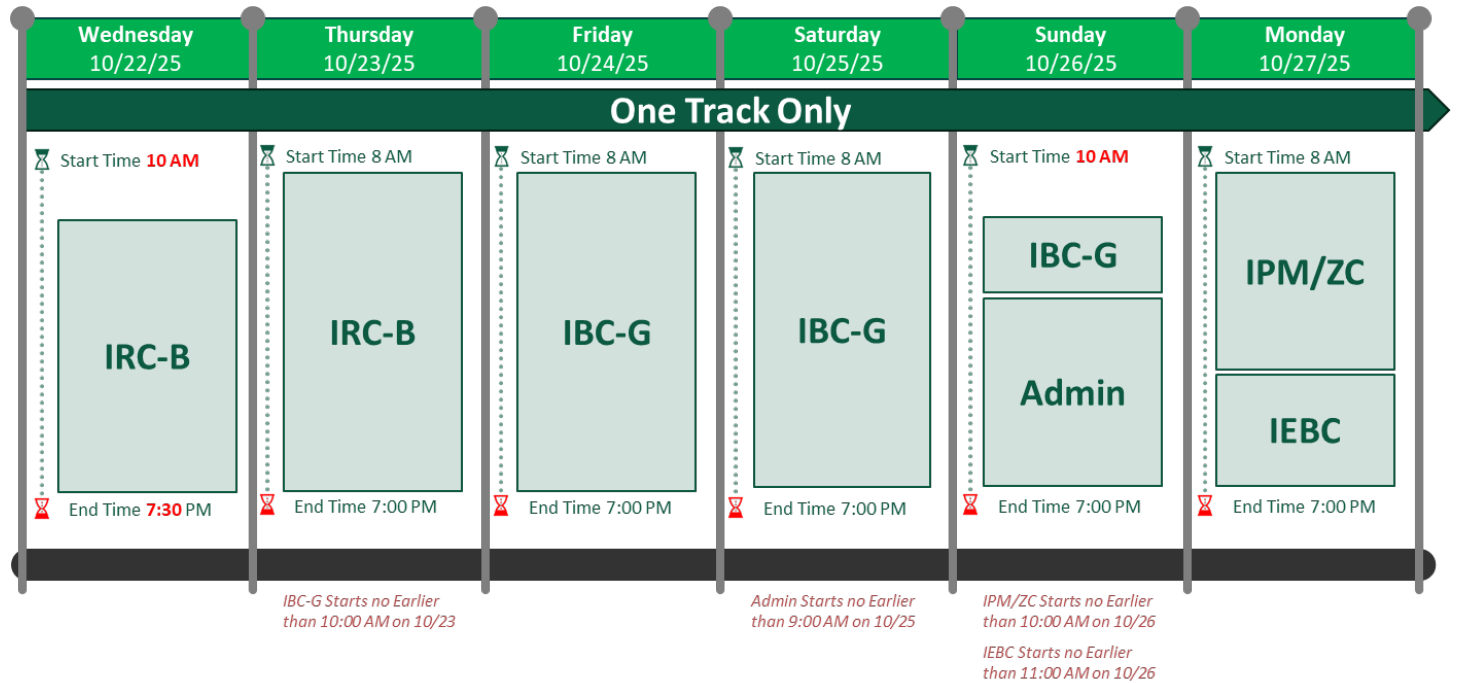

NOTE: While we will start the follow-on committees as soon as the preceding committee is finished, we will not start until the committee members arrive. This means we will typically not be able to start a follow-on committee any sooner than a half day ahead of the approximate start time shown unless a “start no earlier than...” is indicated. Since this is a new codes process, the dynamics we have seen in Group A indicates that historical averages can be highly variable in the new process compared to historical averages.

Hearing Registration

You can register for the Code Action Hearings on the [ICC Leadership Week + Hearings](#) page.

Schedule

The following represents the schedule for this cycle and group.

NOTE: This is our second CAH#2 so we do not have sufficient historical data to predict average times. Expect variability in the tentative schedule. Specific committees may start earlier or later. See “starts no earlier than times” and plan your travel and attendance accordingly.

Starts No Earlier Than Times

Committee	Starts no earlier than information
Admin	9 AM (Eastern Time) on 10/25
IBC-G	10 AM (Eastern Time) on 10/23
IBC-S	8 AM (Eastern Time) on 10/28
IEBC	11 AM (Eastern Time) on 10/26
IPM/ZC	10 AM (Eastern Time) on 10/26

Important Notes

1. Code change **agenda** to be posted on or before September 10, 2025.
2. Hearing times may be modified at the discretion of the Chair based on hearing progress.
3. Morning and afternoon breaks will be announced. A lunch break is planned. A dinner break is not planned. The hearings are scheduled to adjourn for dinner and resume the next day, unless otherwise necessary to complete the agenda.
 - a. The lunch break will be targeted for 12:00 – 1:00.
4. Because of uncertainties in hearing progress, the start time indicated as “Start No Earlier than [8 AM or 12:00 PM]” is conservatively estimated and is not intended to be a hearing progress target.
5. Consult the hearing order in the posted code change agenda for:
 - a. Comments to CAH#1 for Code changes to be heard by a Committee other than the Committee under which the code change is designated.
 - b. Comments to CAH#1 for Code changes comprised of multiple parts where each part is heard by a different Committee.
 - c. Comments to CAH#1 for Code changes to the definitions to determine the applicable Committee hearing the change to the definition for the respective code.
