Dear Nominating Committee,

The Building Inspectors Association of Nassau County (BIANCO) as an affiliated ICC chapter would like to support Michael Savage for Vice President of the ICC.

I have had the pleasure of working with Michael and observed his devotion, dedication and knowledge of code development and code enforcement. His involvement with the ICC speaks for itself he shows how he can work with everyone regardless of personal differences.

BIANCO believes he will be an asset as the Vice President of this organization and it gives me great pleasure on behalf of all the BIANCO members to endorse him for this position as vice president.

We all know that Michael will continue to work hard for the members of the ICC and Code enforcement officials across the country.

Thank you in advance for your continued support and cooperation for all code officials.

Sincerely,

Stephen N. Haramis
