MEET ARCHIE

As an architect, he draws pictures of what a building can look like, he plans how each space can be used, chooses materials to build, like brick or cement and makes the building safe. Today, he is working in a football stadium where his favorite team plays.

MEET ERICA

As an electrician, Erica makes sure our homes, schools and buildings have power to turn on lights, TVs, computers and more! She's installing wires and lights today in the baseball field to ensure the lights work during night games so that it's safe to play.
