

# Swimming Pools and Spas

## Credential of Learning Achievement

Participants will gain a specialized understanding of the 2018 International Swimming Pool & Spa Code® (ISPSC®). Upon completion you will be relied on by construction organizations and communities to guide and inspect proper swimming pool & spa standards. Through the expert-led training you will become familiar with the design, installation and inspection of aquatic facilities based on the standards, technology and code provisions.

### PREREQUISITES

None.

### TRAINING

The 6-hour 2018 ISPSC Design, Installation and Inspection Principles supports this CLA and is available as a self-paced and live training. You must complete the training in order to access the exam.

### EXAM

The training noted above must be completed to access the exam which is comprised of 30 multiple-choice questions based on the required training and references. You will have unlimited test retakes and no time limit to achieve a passing score of 75%. The test must be taken within a year of purchase of the CLA.

### REFERENCES

2018 International Swimming Pool and Spa Code – Not included.

### COST

Member \$165 and Nonmember \$198.  
*Prices may change without notice.*

### RENEWAL

This CLA must be renewed every three years by taking the ISPSC Design, Installation, and Inspection Principles - CLA Refresher (Online Self-Paced) course. Member \$79 and Nonmember \$99.

### Notes about the Swimming Pools and Spa Credential of Learning Achievement:

Additional work experience or other qualifications or credentials may be required by jurisdictions to allow individuals to perform design, construction, plan review or inspection of swimming pools, spas and hot tubs. Verification of such qualifications or credentials is the responsibility of the jurisdiction.
