Re: 2023 Nominating Committee Candidate Consideration

Ms. Davis and Nominating Committee Members,

I write this letter as my formal intent to seek election to the International Code Council's Board of Directors during the 2023 Annual Business Meeting.

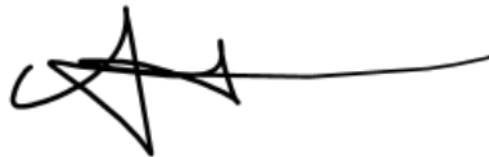

Our profession is at a pivotal transition, as we see many of the mentors, educators, and code professionals that built this profession into its modern state move toward retirement. My beginnings with ICC were rooted in recognition of this very moment, and my opportunities to learn from those same mentors have shaped my life and career profoundly. I hope to bring all that I have learned from those opportunities, in addition to my personal experience and acumen, to serve the board and ICC's members to the best of my ability.

The jurisdiction I serve is in full support of my efforts to seek this position, they understand the impact the ICC has globally, and are pleased that I am working to contribute at the highest level.

For your review I have attached a copy of my resume which describes my history in the profession and is representative of my experience thus far.

It would be an honor to represent the members of the International Code Council on the Board of Directors. Please feel free to reach out to me at any time at 303-810-6774 or ajaen@jeffco.us should you require any additional information.

Best Regards,

Andre Jaen, MCP, CBO, CSP
