RE: Support for Andre Jaen as a candidate for the ICC Board of Directors

Dear Cindy Davis and Nominating Committee,

Ten years ago, Andre Jaen started with Jefferson County as a temporary roofing inspector. After experiencing a variety of roles and assignments, and obtaining his MCP, he now oversees the permitting processes and a team of four certified permit technicians. Andre also sits on the Jefferson County Emergency Operations Team, has worked with our Human Resources department in developing leadership training, and assists other agencies within our organization in process improvement and regulation updating. Andre has done all of this while continuing to pursue higher education and participating in professional organizations locally and nationally. He is a trusted and valued staff member within our organization while demonstrating an aptitude for his role, and a deep commitment to our community.

It is in that spirit I write to you to express the jurisdictional support of our Permitting Supervisor, Andre Jaen, for his interest to serve on your organization's Board of Directors. We recognize the experience and benefits that being a member of the Board of Directors could offer to Andre and the County, and we have no doubt the skill set he brings to the table will add to your organization.

If I can be of any further assistance, please don't hesitate to contact me via phone or email.

Respectfully Submitted,

Abel Montoya, Director  
Development and Transportation Department  
Jefferson County, Colorado
