RE: Support – Andre Jaen

Dear Committee,

As Chapter President of the Eastern Iowa Construction Code Council, I am pleased to offer my support for Andre Jaen's candidacy for the Director Section C seat on the ICC Board of Directors.

Over the past several years, Andre has made a genuine effort to engage with the code community in Iowa by attending several of our chapter events. His presence has always been welcomed, and he has demonstrated a sincere interest in listening to and understanding the local issues affecting our communities and industry.

I believe Andre would bring a thoughtful, collaborative, and informed perspective to the Board. He would be a strong voice for ICC members and an asset to the organization. For these reasons, I am proud to support Andre Jaen for the Director Section C seat and encourage my fellow ICC members to give him their full consideration and support.
