RE: Support – Andy Higgins

Dear Committee,

As Chapter President of the Eastern Iowa Construction Code Council, I am pleased to offer my wholehearted support for Andy Higgins' candidacy for the Director At-Large seat.

Andy possesses an exceptional depth of knowledge of the construction industry and the challenges we face today, as well as those that lie ahead. His experience, leadership, and forward-thinking perspective make him uniquely qualified to serve in this role.

I am confident that Andy will be a tremendous asset to the International Code Council and will provide meaningful leadership that benefits not only the organization but the construction and code enforcement industry as a whole. He has my strongest endorsement, and I encourage your favorable consideration of his candidacy.

Thank you for your consideration of this letter of endorsement on behalf of Mr. Higgins.

Sincerely,

Lucas Pump, MCP
