

8-11-2026

Dear Chairman,

On behalf of the Iowa Association of Building Officials (IABO), I am pleased to express our strong support for Andy Higgins for re-election to the International Code Council Board of Directors as an At-Large Director.

IABO has had the opportunity to get to know Andy through his involvement with the ICC and, more importantly, through the relationships he has developed with code officials across the country. We especially appreciated the opportunity to connect with Andy in Hartford, Connecticut, where he spent time with members of the IABO Board. Those conversations created a great connection and demonstrated Andy's genuine interest in listening to and understanding the perspectives of building officials working at the local level.

That relationship continued well beyond Hartford. We were particularly impressed that Andy made the effort to fly to Iowa, spend time with our organization, and attend an IABO membership meeting. His willingness to travel to Iowa and engage directly with our members was greatly appreciated. It demonstrated that Andy understands the importance of maintaining strong relationships with ICC's members and with the code officials who implement and enforce the codes in communities every day.

Andy has shown IABO that he is approachable, engaged, and committed to the profession. His willingness to listen, communicate, and build relationships is exactly the type of leadership we believe is valuable on the ICC Board of Directors.

The Iowa Association of Building Officials is proud to support Andy Higgins for re-election as an At-Large Director on the ICC Board of Directors. We believe Andy will continue to bring a thoughtful perspective, strong leadership, and a genuine commitment to ICC members to the Board.

We encourage the Nominating Committee and ICC membership to support Andy's re-election.

Sincerely,

Luke Maloney
President
Iowa Association of Building Officials
