Dear Mr. Stuart Tom:

The Upper Great Plains Region III Chapter is pleased to support Jack Applegate for Director At Large on the ICC Board of Directors. We believe that Jack is highly qualified to serve on the ICC Board of Directors and will be dedicated to advancing ICC's mission of ensuring building safety.

With three years of service on the ICC Board and over 35 years in the construction industry, Jack has demonstrated strong leadership as a Building Official, President of ICC Region II, and CEO in the private sector. His dedication to inclusivity, mentorship, and member engagement, especially with Indigenous Peoples, veterans, and emerging leaders, shows a proven commitment to advancing ICC's mission and strengthening its diverse membership.

Thank you for your consideration of our endorsement for Jack Applegate.

Sincerely,

A handwritten signature in blue ink that reads "Roger Schemmel". The signature is fluid and cursive, with the first name "Roger" being larger and more prominent than the last name "Schemmel".
