RE: Letter of support for James Brooker

Dear Committee Members,

The Code Officials Association of Alabama is pleased to endorse James Brooker for an At-Large Board of Directors Position. James continues to support our profession well and has served in many capacities on other boards and is currently serving as the President of the Building Officials Association of Georgia.

The Code Officials Association of Alabama has reviewed Mr. Booker's credentials, and we firmly believe he will represent the ICC membership to the best of his ability in the upcoming term. His resume and achievements over the span of thirty years in the industry will be of great help to him in this position. We fully support his bid for election as an At-Large Director, ICC Board and believe he is the best candidate for the position at this time.

Point of contact for this memorandum is the undersigned at (205)332-6800 or [wyatt.pugh@homewoodal.org](mailto:wyatt.pugh@homewoodal.org).

Very Respectfully Submitted,

Wyatt Pugh  
President  
Code Officials Association of Alabama
