### Join Orange County Division of Building Safety for Building Safety Month Events!

Each week we will bring you unique content and events that tie into the weekly themes!

**Building Safety Month** is an international campaign celebrated in May to raise awareness about building safety. We also expect a proclamation officially declaring the month of May to be "Building Safety Month" by Orange County Mayor Jerry L. Demings and the Board of County Commissioners during the month.

For more than 43 years, Building Safety Month has reinforced the need for the adoption of modern, regularly-updated building codes, and helps individuals, families and businesses understand what it takes to create safe and sustainable structures.

The 2024 Building Safety Month theme is "Mission Possible", and each week focuses on a specific topic:

- Week 1 (May 1–5): Understanding the Mission
- Week 2 (May 6–12): Preparing a Building Safety Plan
- Week 3 (May 13–19): Learning from the Pros
- Week 4 (May 20–26): Engaging Your Community
- Week 5 (May 27–31): Celebrating Success in Building Safety

For more info, keep an eye out for our next emails, [follow Orange County, Florida on social media](#), and see below for a full schedule.

### Building Safety Month Schedule of Events

May  
1

#### Building Safety Month Begins!

It's Building Safety Month! Look for updates to the Permitting Services Display Case Arrangement, posts on @OrangeCountyFL Social Media, and a Division of Building Safety emailed newsletter.
