ALL TEST ACADEMIES LISTED BELOW WILL INCLUDE A TOKEN TO TAKE THE RELATED EXAMS VIA THE ICC’S PRONTO SYSTEM.

M121 NEW 2018 MECHANICAL INSPECTOR M2 CERTIFICATION TEST ACADEMY 3-DAY
Instructor: International Code Council
Credit: mechanical
The M2 - Commercial Mechanical Inspector Certification Test Academy is designed to assist students with taking the M2 Commercial Mechanical Inspector certification exam. The test academy covers in detail the topics of the exam. Throughout the academy students will be given an opportunity to answer questions that reference the exam resources which include: 2018 International Mechanical Code and the 2018 International Fuel Gas Code. The Commercial Mechanical Inspector is responsible for performing inspections of mechanical systems installed in commercial applications and regulated by the International Mechanical Code. The inspector shall be capable of locating specific sections in the International Mechanical Code in order to interpret regulations and provide accurate information to applicants, contractors, property owners, and colleagues. This test academy can also be used as a preparatory aid by NJ officials seeking the Building Inspector ICS, Plumbing Inspector ICS and/or the Mechanical Inspector 1&2 Family license. 1.5 CEU’s

D344 NEW 2018 RESIDENTIAL BUILDING AND MECHANICAL INSPECTOR B1 AND M1 CERTIFICATION-NJ BUILDING INSPECTOR RCS TEST ACADEMY 3-DAY
Instructor: International Code Council
Credit: building, mechanical
The B1 – Residential Building Inspector Certification Test Academy and the M1 – Residential Mechanical Inspector Certification Test Academy features expert instruction and includes interactive review exercises, practice exams, individual and group-based activities to help students prepare for the exam. Throughout the academy students will be given an opportunity to answer questions that reference the exam resources. 1.5 CEU’s

D302 NEW FIRE/LIFE SAFETY INSTITUTE 3-DAY
Instructor: International Code Council
Credit: building, fire protection
This institute is based on the 2018 International Building Code, it presents in-depth coverage of fire and life safety concepts and the application of related code provision. The institute addresses critical topics to enhance participants’ technical skills, deepen their understanding of the fire and life safety concepts behind the code provisions and gain the necessary knowledge and tools to apply the code effectively, efficiently and reasonably. The topics that are covered include building classification, fire protection and means of egress. 1.5 CEU’s
Spouse’s Registration

The 2020 Building Safety Conference will offer a spouse registration which includes the opportunity to attend any and all of the conference events you select below. Please indicate your choices for the Welcome Painting Party Event, Breakfasts, Awards Luncheon, and/or the Awards Reception on the Registration Form below.

The registration fee is $249 per person for full 3 day conference (April 28-May 1). The registration fee is $149 per person for full 2 days conference (April 29-May 1). To register a spouse, please complete the Registration Form below, then detach and return it to us along with the Inspector’s Registration Form and complete payment. (Make check payable to: Building Safety Conference of New Jersey) For detailed registration instructions, please turn to the “Registration” section of this brochure. NOTE: Be sure to fill out this form completely, including the selection of ALL activities you will be attending.

**PERMIT TECHNICIAN ACADEMY 2-DAY**

**Instructor:** International Code Council  
**Credit:** administrative  
This course is designed to assist you with taking the 14 Permit Technician certification exam. The test academy covers in detail the topics of the exam. Throughout the academy students will be given an opportunity to answer questions that reference the exam resources which include: 2018 International Building Code, 2018 International Zoning Code, Basic Code Enforcement, Legal Aspects of Code Administration, 2002 Edition. 1.0 CEU’s

**WEDNESDAY, APRIL 29**

**D339 NEW**  
**2018 IRC ESSENTIALS**  
**Instructor:** International Code Council  
**Credit:** building, fire protection  
This seminar examines basic concepts of the 2018 International Residential Code (IRC). These concepts provide a basis for the correct utilization of the code. A clear understanding of the identified requirements allows the code user to apply the IRC in specific situations and helps to build an understanding of the intent of the code when asked to make a judgment on code compliance. This course also helps the code user to correctly locate code requirements. 0.5 CEU

**A617 NEW**  
**THE CODE OFFICIAL PLAYBOOK**  
**Instructor:** Dennis Pino, Nick Fabiano, Fritz Reuss  
**Credit:** administrative  
This seminar is a play-by-play overview of agency operations and procedures. It expounds upon the many roles and responsibilities of Construction Officials, Subcode Officials and Technical Assistants. From ordinary maintenance to new construction; this seminar busts the myths, challenges misconceptions and provides the facts in a positive-proactive manner. Featuring the “counter of doom,” where participants will analyze NJUCC regulations in action and take part in critical decision making and verification activities specifically produced to highlight UCC compliance; including rehabilitation subcode elements. 0.5 CEU

**THURSDAY, APRIL 30**

**D336 NEW**  
**2018 IMC DESIGN AND PLAN REVIEW**  
**Instructor:** International Code Council  
**Credit:** building, fire protection, plumbing, mechanical, boiler, pressure vessel and refrigeration  
This seminar reviews and analyzes selected requirements for commercial design and plan review of mechanical systems. The seminar provides participants with a thorough understanding of key areas of the 2018 International Mechanical Code (IMC) and related standards. 0.5 CEU

**A728 NEW**  
**ETHICS IN PUBLIC LIFE**  
**Instructor:** International Code Council  
**Credit:** administrative  
This seminar presents the historical development of ethical theory and its practical application for building officials. The consequences of poor ethical decisions are discussed and participants will have an opportunity to develop a personal code of ethics they can use when confronting ethical problems. 0.5 CEU

**E316 NEW P**  
**MIXED BAG 3- TREE TOPICS IN FIVE HOURS**  
**Instructor:** Tom Pernal Electrical Seminars, LLC  
**Credit:** electrical  
This seminar presents a compilation of three topics. Participants will review IAEI motors, installation parameters for common wiring methods, and DCA adoptions to the 2017 NEC. These topics are useful for the purposes of installation, plan-review and inspection of a variety of occupancies. 0.5 CEU

**P259 NEW**  
**NATIONAL STANDARD PLUMBING CODE (NSPC) WORKSHOP**  
**Instructor:** IAPMO  
**Credit:** plumbing  
This seminar provides participants with hands-on application of the National Standard Plumbing Code to an existing system. It examines how the NSPC sections inter-connect with each other and communicates the importance of implementing the NSPC when installing, repairing or inspecting plumbing systems. Participants will examine drawings of plumbing systems and installations for code violations in a cooperative and collaborative environment. Each drawing is designed to challenge attendees on parts of the code that are frequently misunderstood or in frequent violation. Attendees will work in groups during the workshop exercise and their findings, as well as those presented by the instructor, will be shared with the rest of the attendees for a robust learning experience. 0.5 CEU
D327 - PLAN REVIEW USING THE 2018 IBC
Instructor: Jack Boekhout Consulting, LLC
Credit: building, fire protection
A building inspector’s job encompasses a variety of duties, including plan review, inspection and working with the public. One of the most important parts of the job is plan review. This seminar incorporates elements of plan review, as well as provides suggestions and charts to improve the plan review process. Additional code compliance explanations regarding changes in the 2018 IBC height and computations, grade plane, etc. are covered. A plan review checklist is provided. 0.5 CEU

D335 - 2018 IMC COMBUSTION AIR AND VENTING
Instructor: International Code Council
Credit: building, fire protection, plumbing, mechanical, boiler, pressure vessel and refrigeration
This seminar reviews and analyzes selected requirements for combustion air & venting systems. It summarizes the purpose and content of combustion air and venting systems contained in the 2018 IMC and 2018 IFGC. In addition, this seminar describes the intent and application of combustion air and venting sections within the 2018 IMC and 2018 IFGC and explains the application of combustion air and venting sections within the 2018 IMC and 2018 IFGC through inspection, plan review and enforcement. 0.5 CEU

D337 - RESIDENTIAL SPRINKLERS: HOMES TO HIGH RISE
Instructor: Fire Smarts, LLC
Credit: fire protection, plumbing, multiple dwelling (housing)
The protection of residential occupancies is unique with its distinct requirements for the use and location of sprinklers. Systems installed in accordance with NFPA 13D Standard for the Installation of Sprinkler Systems in One- and Two-Family Dwellings and Manufactured Homes and 13R Standard for the Installation of Sprinklers in Low-Rise Residential Occupancies are largely life safety in their purpose while those installed in dwelling units as allowed by NFPA 13 Standard for the Installation of Sprinkler Systems are a part of a larger protection scenario. This seminar examines the requirements for each document and the desired protection objectives. The content is based on NFPA 13, 13R, and 13D.0.5 CEU

D339 - WATTS UP- 2020 UPDATE!
Instructor: Dennis Pino, Nick Fabiano, Don Clare
Credit: building, electrical
From plan-review of concrete encased electrodes to the final electrical inspection checking energy efficient lamp counts, this seminar bridges the transitional gaps between the NEC 2017, IRC 2018 and Uniform Construction Code. A comprehensive breakdown of UCC assigned Electrical and Building Subcode responsibilities for plan review and inspection of one and two family dwellings is presented. Existing codes, code changes and commentary are reviewed in a positive and interactive manner, including: rehabilitation subcode amendments, minor work and ordinary maintenance elements. 0.5 CEU
GENERAL INFORMATION

The registration fee is $299 per person for full 3 day conference (April 28-May 1). The registration fee is $199 per person for full 2 days conference (April 29-May 1). The registration fee includes ANY AND ALL EVENTS you select on your registration form.

Please return the Registration Form(s) with complete payment. All payments must be received in our office by Wednesday, April 15, 2020. If this is not possible, you must bring cash or a personal check to be paid at the Conference registration. Make check, money order, or voucher payable to Building Safety Conference of New Jersey. No vouchers will be accepted after Wednesday, April 1, 2020. For detailed registration instructions please see the “Registration” section of this brochure.

Confirmations will be sent approximately 10 days before the conference. Bring your confirmation with you to the registration booth to receive your conference packet which includes your activities, tickets, name badge, etc. If your fees have not been paid you will be directed to the problem registration area.

“EARLY BIRD” REGISTRATION DRAWING

Conference registrations received on or before February 21, 2020 will be entered into a drawing for not only 1 free 2020 Conference Registration, but also, a free 3-night stay at Bally’s Atlantic City for the Conference!

HOTEL RESERVATIONS

It is strongly recommended that any hotel reservations for the 2020 conference be made through Bally’s internet registration system, using the internet link below:

https://book.passkey.com/go/SB04BU0

Reservations can also be made by telephone directly with Bally’s. To make reservations, you may call 888-516-2215 (8 am - 2 am EST seven days a week). The name of the group is listed as Building Safety Conference of NJ 2020. Please reference the group code SB04BU0 Bally’s.

Hotel reservations must be made no later than Friday, March 27, 2020.

The conference rate per night is quoted per room, single or double occupancy, at the new lower rate of $85 for hotel rooms, $20 extra per person. Please be aware that Atlantic City imposes $15 resort fee for each hotel room per night plus room tax; which is not included in the Building Safety Conference room rate. When issuing a check, money order, or voucher, please be sure to include this fee for each night you book a room. To ensure that you are charged the special conference rate, you must (1) tell the operator that you will be participating in the Building Safety Conference of New Jersey, group code SB04BU0 Bally’s and (2) make your overnight reservation with the hotel by Friday, March 27, 2020. After this date, the conference rate will no longer be available. You must use your credit card to guarantee your reservation. Check-in time at the hotel is 4:00 PM. The hotel requires that you have a credit card with you at the time of check-in. Check-out time is 12:00 noon. We encourage you to use Express Checkout; instructions are available in your hotel room.
CONFERENCE
REGISTRATION INSTRUCTIONS

1. Choose the seminar(s) you would like to attend from those listed in the brochure. Remember to select one seminar for each day you are attending the conference. We also request that you indicate a second choice since many classes fill up very quickly.

2. Complete the registration form, providing all information requested. Indicate your seminar choice(s) by marking an “A” (first choice) and a “B” (second choice) for each day you attend the conference. If someone accompanying you will be registering under the spouse registration, please be certain to indicate this on the form, and include the completed Spouse’s Registration Form, found in this brochure.

3. Fill out all sections of the registration form and answer all the questions.

4. Payment must be made via check, money order, or voucher, and must be made payable to the Building Safety Conference of New Jersey.

   Please note that a voucher will reserve your seminar space, but this office MUST receive your payment prior to the conference.

No vouchers will be accepted after Wednesday, April 1, 2020.

Our Federal Tax Identification number is 22-2777775.

Any payment that is made out incorrectly will be returned to the sender, resulting in a delay in registration.

5. Detach the completed registration form(s), enclose payment, and mail to:

   Building Safety Conference  
   c/o DCA Education Unit  
   PO Box 802, Trenton, NJ 08625-0802  

   Please DO NOT make checks payable to DCA

Note:

   The FINAL DEADLINE for receipt of all registration forms and payment is Wednesday, April 15, 2020 (unless payment is made by voucher, in which case it must be received by April 1, 2020). Paperwork received after this date will not be accepted.

   NO REFUNDS will be honored unless requests are received by DCA, in writing, no later than Wednesday, April 24, 2020.

6. Take advantage of the “Early Bird” registration special offer (see page 16)

7. For all inquiries please contact DCA Education Unit at 609-984-7820.
