Re: 2021 Nominating Committee Candidate Consideration

Distinguished Members of the Nominating Committee,

My time with the International Code Council thus far has been the highlight of my professional career, from serving on the Advisory Council establishing the Emerging Leaders Membership Council, to currently serving as the Immediate Past Chair of that amazing young group. I ask that you accept this letter as my formal intent to seek election to the International Code Council's Board of Directors during the 2021 Annual Business Meeting in Pittsburg.

The jurisdiction for which I serve is in full support of my efforts to seek this position, they understand the impact the ICC has on our society, and are pleased I am wanting to contribute at the highest level.

For your review I have attached a copy of my resume which describes my history in the profession as a Building Official and as a municipal employee. Having nearly 11 years in the industry I feel as though my dedication and relentless work ethic have allowed me to rise quickly and accomplish much, locally, state wide, and nationally.

It will be an honor to represent the members of the International Code Council as a Board of Director and even more so to be the first Emerging Leader to serve on the Board. Please feel free to reach out to me at any time at (207) 478-8732 or benjamin.breadmore@gmail.com, I would be more than happy to discuss why I believe I would make a worthy candidate.

Best Regards,

A handwritten signature in black ink that reads "Benjamin R. K. Breadmore".
