Dear Mr. Coffman

It is my understanding that Benjamin Breadmore, is seeking a position on the ICC Board of Directors through the electoral process at the upcoming Annual Business meeting, hopefully to be held in person, in Pittsburg, PA. I find that Mr. Breadmore has served our region well, especially in my neighboring state of Maine but also as a board member of NEBOEA. Great accomplishments of someone that I consider “Young” for his knowledge and his career accomplishments. I highly recommend that he become nominated and elected to the ICC Board of Directors. ICC will benefit from his appointment.

Regards,

Timothy Metivier
