Re: Support of Benjamin Breadmore, ICC Board of Directors

Chairman Bryant,

On behalf of Eastern States Building Officials Federation (ESBOF), which represents code professionals, design professionals and construction industry experts of Connecticut; Massachusetts; Maine; New Hampshire; New York; Rhode Island and Vermont, we express our support for Benjamin (Ben) Breadmore for either Director At Large or Section E Director to the International Code Council's Board of Directors.

Ben has proven his value as a resource for the Northeast Region and his addition to the Board will be to the benefit of all members of ICC. Ben is past Chairman of the Emerging Leaders Council and it is his ability to connect with the next generation of code officials that will be an asset to the ICC Board of Directors. Ben is forward thinking, a true problem solver and he is a faithful contributor to our ICC Region VI Board of Directors and our Region VI Code Development Committee.

Eastern States Building Officials Federation (ESBOF), unanimously supports Benjamin Breadmore for either Director At Large or Section E Director to ICC's Board of Directors. We are confident Ben will demonstrate his capabilities with supporting the members of our organizations and being a positive representative for the International Code Council.

Respectfully,

Edward Cusato

President, Eastern States Building Officials Federation (ESBOF)
