Past President David Spencer
ICC Nominating Committee Chairman :
Mr. Spencer
Honorable Committee Members:

Please take notice that the members of the ICC Northern Adirondack Code Enforcement Officials Chapter energetically support Benjamin Breadmore to become the next Secretary/Treasurer of the International Code Council Board of Directors. We use the word "energetically" because of the true energy this candidate inspires in all of us as Code Professionals. He has used his personal time involved with ICC for the betterment of all the members. His involvement has been a true model of complete commitment to the advancement of the entire Code Community.

Rarely is the membership given this positive an opportunity. Benjamin Breadmore has routinely demonstrated his overachieving wealth of energy. He currently expresses a will to expand his role on the International Code Council. We collectively say yes to his willingness to work even harder for the membership.

Therefore the 200 members of the Northern Adirondack ICC Code Officials Chapter encourage and support Benjamin Breadmore to be the next International Code Council Secretary/Treasury. As members we look forward to his expanded leadership capacity and

his continued contributions to the strength and long term success of all members and the organization.

Grateful to have this positive opportunity,
Jim
