Mr. Bryant,

I am writing this letter of endorsement for Benjamin R. K. Breadmore for a position on the Board of Directors of the International Code Council. Additionally, after contacting every Board member of the North Carolina Mechanical Inspectors Association, there was unanimous and over whelming support for Mr. Breadmore.

Mr. Breadmore has shown interest in our Association. We feel he would be a great addition to the ICC Board of Directors. He has accomplished many things in a short period of time proving his willingness to work hard to achieve success in his line of work.

We believe that he will be an asset to your Board. We also believe that his vision for building safety and protecting the citizens will be a welcomed voice to your Board and its members

Thanks for your consideration

Timothy Gray
