Dear Mr. Chairman and the International Code Council Nominations Committee,

On behalf of the Board of Directors for Oregon Permit Technicians Association, we would like to express our support for ICC Board of Directors, Mr. Benjamin Breadmore, City Administrator and Building Official of Holden, Maine.

Mr. Breadmore has been an active advocate in leadership and mentoring the next generation of leaders in the field of Code Official.

His continuing commitment to ensuring a safe built-environment, involvement throughout various ICC roles developing code, and advancing programs that facilitate the leaders of tomorrow. We feel this drive will prove an excellent addition to the current ICC Board of Directors.

Our organization has confidence in his skills in Code Enforcement, mentorship, administration and representing the next generation on the ICC Board of Directors. We look forward to his future accomplishments on his journey.

Sincerely,
