### **Re: Support of Benjamin Breadmore, ICC Board of Directors**

Chairman Bryant,

On behalf of the Rhode Island Building Official's Association (RIBOA) we would like to express our support for Benjamin Breadmore for either Director At Large or Section E Director to the International Code Council's Board of Directors.

Mr. Breadmore has demonstrated a tremendous commitment to the Northeast Region, currently serving as the Immediate Past Chair of the Emerging Leaders Membership Council, President of the Maine Building Officials and Inspectors Association, Treasurer of the Northern Maine Chapter of Maine Building Officials and Inspectors Association, and Secretary of the New England Building Officials Association.

The dedication to the built environment has been proven with Mr. Breadmore's commitment to the aforementioned associations as well as actively serving on the board of Region VI, Eastern States Building Officials Federation, and the Maine Uniform Building and Energy Code Board.

The Rhode Island Building Officials Association unanimously supports Benjamin Breadmore for either Director At Large or Section E Director to ICC's Board of Directors. We are confident Ben will be a tremendous asset to the International Code Council's Board of Directors as he has already proven himself to be with ICC Region VI.

Respectfully,

Joseph L. Warner Jr., President  
Rhode Island Building Official's Association
