It is a pleasure to write this letter of recommendation on behalf of Benjamin Breadmore in his quest for a seat on the International Code Council (ICC) Board of Directors. As the first representative from the State of Maine, he would be a tremendous asset on the Board.

Mr. Breadmore has been on the fast track in his municipal career as well as his time spent dedicated to the ICC. He has served as President of the State Chapter and also serves on the Board of Region VI, the Board of NEBOEA and the Board of ESBOF. During his tenure as Town Manager and Building Official with the Town of Holden, Maine, Mr. Breadmore has been instrumental in attracting more than two dozen new and expanded businesses to the area. He has worked alongside residents, developers, businesses and neighboring towns in implementing ordinance changes for advanced commercial development.

While his goals of benefiting community while ensuring safe and sustainable development align with that of the ICC, I am confident the ICC Board would welcome Mr. Breadmore's abundant skills and varied background.

Please do not hesitate to contact me should you wish to discuss further Mr. Breadmore's attributes. Thank you.

Sincerely,

A handwritten signature in blue ink that reads "Kimberley C. Rosen".
